

4.2.2.5 Effect of Sublessee, etc. Doing Business. Except as specifically provided to the contrary in this Lease, where a sublessee, licensee, or permittee is conducting a business or engaged in any use or occupation or any combination thereof on Lessee's leasehold except for those uses or occupations delineated under Item (1) of subsection (c1) of subsection 4.2.2, Lessee shall report whichever of the following results in the greater percentage rental: (1) the Gross Receipts of each sublessee under one or more of the appropriate subsections of this Section; or (2) Lessee's receipts from each sublessee under subsection (c) or (c1) of this Section.

4.2.2.6 Interest; Etc. Interest, service or late charges collected in conjunction with a transaction, sale or activity of Lessee or Sublessee shall be reported in the same percentage category as the transaction, sale or activity is reported.

4.2.2.7 Percentage Rent Does Not Affect Permitted Uses. It is understood and acknowledged by Lessee that Section 3.1 of this Lease sets forth the Permitted Uses of the Premises by Lessee; thus, the Percentage Rent categories listed in subsection 4.2.2 are not all necessarily applicable to this Lease and are in no way intended to expand the Permitted Uses.

4.2.2.8 Policy Statements. Director, by Policy Statement and with the approval of Lessee, Auditor-Controller and County Counsel may further interpret the definition of gross receipts, with such interpretations to be a guideline in implementing the foregoing subsections of this Lease.

4.2.3 Adjustments to Annual Minimum Rent. As of the First Adjustment Date (as defined in subsection 4.2.1 above) and continuing each third (3rd) consecutive anniversary thereafter until the first Renegotiation Date (as defined in Section 4.3 below), and thereafter each third (3rd), sixth (6th) and ninth (9th) anniversary of each Renegotiation Date (each an "Adjustment Date" and collectively the "Adjustment Dates"), the Annual Minimum Rent shall be adjusted as provided in this subsection 4.2.3. As of the First Adjustment Date, the Annual Minimum Rent shall be adjusted to the amount that equals seventy-five percent (75%) of the total Annual Rent (including Annual Minimum Rent and Percentage Rent, but without offset of any Lessee Credit that Lessee may have taken as described in Section 4.4 below) that was payable by Lessee to County for the one (1) year period immediately prior to the First Adjustment Date. As of each Adjustment Date thereafter, the Annual Minimum Rent shall be adjusted to the amount which equals seventy five percent (75%) of the average of the total Annual Rent (but without offset of any Lessee Credit which Lessee may have taken as described in Section 4.4 below) that was payable by Lessee to County during the three (3) year period immediately preceding the Adjustment Date.

4.3 Renegotiation of Annual Minimum and Percentage Rents. Effective on the twentieth (20th) anniversary of the Effective Date, and each tenth (10th) anniversary thereafter (each a "Renegotiation Date" and collectively, the "Renegotiation Dates"), the Annual Minimum

Rent and Percentage Rent shall be readjusted to the Fair Market Rental Value (as defined below) of the Premises.

4.3.1 Fair Market Rental Value. As used herein, "Fair Market Rental Value" shall mean, as of each Renegotiation Date, the fair market rent (including an annual minimum rent), expressed as respective percentages of Gross Receipts in accordance with the categories enumerated in subsection 4.2.2, which the Premises would bring, on an absolute net basis, taking into account the Permitted Uses, all relevant and applicable County policies and all of the other terms, conditions and covenants contained in the Lease, if the Premises were exposed for lease for a reasonable time on an open and competitive market to a lessee for the purpose of the Permitted Uses, where County and the respective tenant are dealing at arms length and neither is under abnormal pressure to consummate the transaction, together with all restrictions, franchise value, earning power and all other factors and data taken into account in accordance with California law applicable from time to time to eminent domain proceedings. Notwithstanding any contrary provision of this Lease, in acknowledgment and consideration of the Lessee Credit granted to Lessee in Section 4.4 below, in no event shall the percentage of Gross Receipts applicable to the occupancy of apartments set forth in clause (1) of category (c) of subsection 4.2.2 ever be readjusted to less than TEN AND ONE-HALF PERCENT (10.5%), and if the Fair Market Rental Value percentage for the occupancy of apartments is less than TEN AND ONE-HALF PERCENT (10.5%), the requirement that the Gross Receipts percentage applicable to the occupancy of apartments not be readjusted to less than TEN AND ONE-HALF PERCENT (10.5%) shall have no effect on the determination of the Fair Market Rental Value percentages for the other categories of Gross Receipts set forth in subsection 4.2.2.

4.3.2 Renegotiation Period. Not more than one (1) year nor less than nine (9) months prior to the Renegotiation Date, Lessee shall deliver to County written notice setting forth Lessee's determination of the Fair Market Rental Value of the Premises. Lessee's notice shall include a list of comparable properties and/or complete copies of any appraisals which it has utilized in its determination, together with such other information regarding such comparable properties or the Premises as Lessee deems relevant or as may be reasonably requested by County. Within one hundred twenty (120) days after receipt of Lessee's notice, if County disagrees with Lessee's determination, County shall deliver to Lessee written notice of such disagreement, together with County's determination of Fair Market Rental Value and a list of comparable properties and/or complete copies of any appraisals which it has utilized in its determination, together with such other information regarding such comparable properties or the Premises as County deems relevant or as may be reasonably requested by Lessee, to the extent available to County. If County fails to deliver to Lessee notice of its disagreement within the aforementioned period and such failure continues for fifteen (15) days after receipt of written notice from Lessee, then Lessee's determination of Fair Market Rental Value shall be binding on County as of the Renegotiation Date; provided, however, that Lessee's notice to County shall conspicuously state in bold faced type that such determination of Fair Market Rental Value shall be binding on County unless County delivers notice of its disagreement within such fifteen (15) day period.

If Lessee fails to deliver the notice described in the first sentence of this subsection, setting forth Lessee's determination of Fair Market Rental Value, and such failure continues for fifteen (15) days after receipt of written notice from County, then County shall submit its determination of Fair Market Rental Value to Lessee, and Lessee shall have fifteen (15) days after the submittal by County to Lessee of County's determination of Fair Market Rental Value to deliver to County written notice of Lessee's agreement or disagreement with County's determination. If Lessee fails to deliver notice of such disagreement within such fifteen (15) day period and County's notice to Lessee conspicuously stated in bold faced type that such determination of Fair Market Rental Value shall be binding on Lessee unless Lessee delivers notice of its disagreement within such fifteen (15) day period, then County's determination of Fair Market Rental Value shall be binding on Lessee as of the Renegotiation Date.

4.3.3 Negotiation of Fair Market Rental Value. If County (or Lessee, as the case may be) does so notify Lessee (or County, as the case may be) of its disagreement as provided in subsection 4.3.2, County and Lessee shall have sixty (60) days from the end of the applicable response period in which to agree upon the Fair Market Rental Value for the Premises. County and Lessee shall negotiate in good faith during said sixty (60) day period. If the parties do so agree, they shall promptly execute an amendment to this Lease setting forth the Fair Market Rental Value so jointly determined, to be effective upon the Renegotiation Date. Director shall be authorized to execute any such amendment on behalf of County. During the period of negotiation, Lessee shall abide by all of the terms and conditions of this Lease, including but not limited to the obligation to continue to pay to County Annual Minimum Rent and Percentage Rent at the then-existing levels.

4.3.4 Arbitration. If County and Lessee fail to reach agreement during the sixty (60) day period set forth in subsection 4.3.3, then, unless the parties agree otherwise, the Fair Market Rental Value of the Premises shall be determined by arbitration as set forth in Article 16 of this Lease and the parties shall execute an amendment to this Lease setting forth the Fair Market Rental Value as determined by arbitration. In order to determine the Fair Market Rental Value of the Premises, the arbitrator shall take into consideration all of the terms, conditions and covenants of this Lease, the earning power and all of the factors and data relating to such value required or proper to be considered in determining the fair rental value of leaseholds under the laws of eminent domain in the State of California. During the period of arbitration, County and Lessee shall abide by all of the terms and conditions of this Lease, including but not limited to Lessee's obligation to pay to County Annual Minimum Rent and Percentage Rent at then existing levels.

4.3.5 Retroactivity. In the event that, pursuant to subsections 4.3.3 or 4.3.4 hereof, the parties execute an amendment to this Lease setting forth the Fair Market Rental Value and the Annual Minimum Rent, such amendment, if executed prior to the Renegotiation Date, shall be effective as of the Renegotiation Date; if executed after the Renegotiation Date, such amendment shall be retroactive to the Renegotiation Date. In the event that such amendment is executed after the Renegotiation Date, then, within thirty (30) days after such execution, Lessee shall pay to County, or County shall at its

election pay or credit to Lessee, the difference, if any, between (a) such Fair Market Rental Value for the Premises and (b) the actual Annual Minimum Rent and Percentage Rent paid by Lessee to County, for the period of time from the Renegotiation Date until the date of such payment. Lessee (with respect to overpayments) or County (with respect to underpayments) shall further be entitled to interest on each portion of such payment from each date on which the applicable rental payments were payable under this Lease to the date paid or credited, whichever is applicable, at the following rates:

(1) the interest rate applicable to the first six (6) months following the Renegotiation Date shall be equal to the average daily rate for the non-restricted funds held and invested by the Treasurer and Tax Collector of Los Angeles County during that period, computed by the Auditor-Controller ("County Pool Rate"); and,

(2) the interest rate applicable to any period of time in excess of six (6) months following the Renegotiation Date shall be the Prime Rate of interest in effect from time to time during the period from the date that is six (6) months after the Renegotiation Date until the date of payment.

4.4 Lessee Credit. In consideration of Lessee's compliance with the affordable housing requirements referenced in Section 8 of the Option Agreement and Section 3.6 of this Lease, Lessee shall be entitled to a credit (the "Lessee Credit") in the principal amount of Fifteen Million One Hundred Thousand Dollars (\$15,100,000.00). Lessee may apply the Lessee Credit (plus accrued interest on the Lessee Credit as described below) against that portion of Annual Rent (including Annual Minimum Rent (or Monthly Minimum Rent) and Percentage Rent) that becomes due and payable under the Lease on and after the Stabilization Date and that exceeds an aggregate of Five Hundred Thousand Dollars (\$500,000.00) (the "Base Amount") in any Lease Year on and after the Stabilization Date. For any partial Lease Year following the Stabilization Date, the Base Amount shall be reduced on a pro rata basis based on the number of months in such partial Lease Year as compared to 12. The "Stabilization Date" means the first day of the month following the month in which the apartment units constructed in accordance with Section 5.1 below are ninety percent (90%) physically occupied by tenants for three (3) consecutive months. Lessee shall exercise its right to apply the Lessee Credit against a particular payment described above by delivering written notice to County of such election on or before the due date of such payment.

Commencing on the Stabilization Date and continuing until the earlier of the full application of the Lessee Credit or the tenth (10th) anniversary of the Stabilization Date, unapplied portions of the original principal amount of the Lessee Credit shall accrue interest at an annual rate of 3.125%. Such interest shall be added to and considered a part of the Lessee Credit; provided, however, that interest shall accrue only on the unapplied portions of the original principal amount of the Lessee Credit, and no interest shall accrue on or with respect to previously accrued interest; but provided, further, that applications of the Lessee Credit first shall be made from accrued interest and then to reduce the principal balance of the Lessee Credit. Lessee shall be under no obligation to apply the Lessee Credit against the first or any particular amount of Annual Rent. No interest shall accrue prior to the Stabilization Date nor after the tenth (10th) anniversary of the Stabilization Date.

4.5 Payment and Late Fees. Monthly Minimum Rent shall be paid by Lessee in advance. Payments of Minimum Monthly Rent shall be received by County on or before the first day of each calendar month of the Term. Percentage Rent shall be paid by Lessee in arrears. Percentage Rent due, if any, for a given month of the Term shall be received by County on or before the fifteenth day of the calendar month following each month of the Term, calculated as follows: the Lessee shall calculate the total Percentage Rent owed to County for the relevant month of the Term; it shall deduct from said amount the total Monthly Minimum Rent paid to County for that same month; if the resulting amount is a positive number, Lessee shall pay that amount to County; if that amount is a negative number, no Percentage Rent shall be paid to County for that month but nevertheless the Monthly Minimum Rent shall be paid every month of the Term hereof. Percentage Rent payments shall be reconciled annually at the end of each Lease Year, with any Excess Percentage Rent Payments credited as provided in subsection 4.2.2.4. Payment may be made by check or draft issued and payable to The County of Los Angeles, and mailed or otherwise delivered to the Department of Beaches and Harbors, Los Angeles County, 13483 Fiji Way, Trailer No. 2, Marina del Rey, California 90292, or such other address as may be provided to Lessee by County. Lessee acknowledges that County shall have no obligation to issue monthly rental statements, invoices or other demands for payment, and that the rental payments required herein shall be payable notwithstanding the fact that Lessee has received no such statement, invoice or demand.

In the event any payment under this Lease is not received by County by the date due, Lessee acknowledges that County will experience additional management, administrative and other costs that are impracticable or extremely difficult to determine. Therefore, a fee ("Late Fee") of six percent (6%) of the unpaid amount shall be added to any amount unpaid when due and payable; provided that the Late Fee shall be waived with respect to the first occurrence during any Lease Year of a late payment if such payment is received by County within one (1) business day following written notice from County that the unpaid amount was not paid by the date due. In addition to any Late Fee, any unpaid rent due shall additionally bear interest at an annual rate equal to the Prime Rate plus three percent (3%), computed from the date when such amounts were due and payable, compounded monthly, until paid. Lessee acknowledges that such Late Fee and interest shall be applicable to all identified monetary deficiencies under this Lease, whether identified by audit or otherwise, and that interest on such amounts shall accrue from and after the date when such amounts were due and payable as provided herein (as opposed to the date when such deficiencies are identified by County); provided, however, with respect to any obligation of an Encumbrance Holder in connection with the exercise of its cure rights under Article 12 below, interest accrual on any particular obligation for periods prior to the Encumbrance Holder's acquisition of leasehold title to the Premises shall be limited to a maximum of three (3) years.

4.6 Changes of Ownership and Financing Events. Except as otherwise provided in this Section 4.6, each time Lessee proposes either (a) a Change of Ownership (that is not an Excluded Transfer) or (b) a Financing Event, County shall be paid (1) an Administrative Charge equal to the Actual Cost incurred by County in connection with its review and processing of said Change of Ownership or Financing Event ("Administrative Charge") and (2) subject to the remaining provisions of this paragraph, a Net Proceeds Share, in the event County approves such proposed Change of Ownership or Financing Event and such transaction is consummated. "Net Proceeds Share" shall mean the applicable amount determined pursuant to Section 4.8 of this

Lease. Changes of Ownership and Financing Events are further subject to County approval as provided in Articles 12 and 13 of this Lease.

Notwithstanding any contrary provision of this Section 4.6, Lessee shall not be obligated to pay a Net Proceeds Share with respect to (i) the first two Changes of Ownership occurring after the Effective Date but prior to the twelfth (12th) anniversary of the Completion Date, and any Financing Event used to fund the purchase price of such first two Changes of Ownership, (ii) the original construction loan obtained to finance the cost of the Redevelopment Work and the Financing Event to take out such original construction loan if as of the date of the closing of such original construction loan Lessee has obtained a forward commitment for such take-out financing, and (iii) the first two Financing Events (other than any Financing Events described in clauses (i) or (ii) above) occurring after the Effective Date but prior to the twelfth (12th) anniversary of the Completion Date. Lessee shall, however, be obligated to pay a Net Proceeds Share with respect to the third (3rd) and any subsequent Change of Ownership, and with respect to the third (3rd) and any subsequent Financing Event (other than the Financing Events described in clauses (i) or (ii) above), occurring during the period between the Effective Date and the twelfth (12th) anniversary of the Completion Date. In addition, Lessee shall be obligated to pay a Net Proceeds Share with respect to any Change of Ownership or Financing Event occurring after the twelfth (12th) anniversary of the Completion Date.

4.6.1 Change of Ownership. "Change of Ownership" shall mean (a) any transfer by Lessee of a five percent (5%) or greater direct ownership interest in this Lease, (b) the execution by Lessee of a Major Sublease or the transfer by the Major Sublessee under a Major Sublease of a five percent (5%) or greater direct ownership interest in such Major Sublease, (c) any transaction or series of related transactions not described in subsections 4.6.1(a) or (b) which constitute an Aggregate Transfer of fifty percent (50%) or more of the beneficial residual interests in Lessee or a Major Sublessee, or (d) a Change of Control (as defined below) of Lessee or a Major Sublessee. Notwithstanding the foregoing, with respect to any Aggregate Transfer of beneficial residual interests in Lessee by AIG Global Real Estate Investment Corp. or any person or entity that directly or indirectly controls, is controlled by, or is under common control with, AIG Global Real Estate Investment Corp. (collectively, an "AIG Entity"), the phrase "fifty percent (50%) or more" in clause (c) above shall be changed to "more than fifty percent (50%)."

For the purposes of this Lease, "Change of Control" shall refer to a transaction whereby the transferee acquires a beneficial residual interest in Lessee or a Major Sublessee which brings its cumulative beneficial residual interest in Lessee or a Major Sublessee, as appropriate, to over fifty percent (50%).

4.6.2 Excluded Transfers. Notwithstanding anything to the contrary contained in this Lease, Changes of Ownership resulting from the following transfers ("Excluded Transfers") shall not be deemed to create an obligation to pay County a Net Proceeds Share or any Administrative Charge:

4.6.2.1 a transfer by any direct or indirect partner, shareholder or member of Lessee (or of a limited partnership, corporation or limited liability

company that is a direct or indirect owner in Lessee's ownership structure) as of the Effective Date or the date on which a Change of Ownership occurred as to the interest transferred, to any other direct or indirect partner, shareholder or member of Lessee (or of a limited partnership, corporation or limited liability company that is a direct or indirect owner in Lessee's ownership structure) as of the Effective Date, including in each case to or from a trust for the benefit of the immediate family (as defined in subsection 4.6.2.3 below) of any direct or indirect partner or member of Lessee who is an individual;

4.6.2.2 a transfer to a spouse in connection with a property settlement agreement or decree of dissolution of marriage or legal separation, as long as such transfer does not result in a change in the management of Lessee;

4.6.2.3 a transfer of ownership interests in Lessee or in constituent entities of Lessee (i) to a member of the immediate family of the transferor (which for purposes of this Lease shall be limited to the transferor's spouse, children, parents, siblings and grandchildren), (ii) to a trust for the benefit of a member of the immediate family of the transferor, (iii) from such a trust or any trust that is an owner in a constituent entity of Lessee as of the Effective Date, to the settlor or beneficiaries of such trust or to one or more other trusts created by or for the benefit of any of the foregoing persons, whether any such transfer described in this subsection 4.6.2.3 is the result of gift, devise, intestate succession or operation of law, or (iv) in connection with a pledge by any partners of a constituent entity of Lessee to an affiliate of such partner;

4.6.2.4 a transfer of a beneficial interest resulting from public trading in the stock or securities of an entity, where such entity is a corporation or other entity whose stock or securities is/are traded publicly on a national stock exchange or is traded in the over-the-counter market and whose price is regularly quoted in recognized national quotation services;

4.6.2.5 a mere change in the form, method or status of ownership (including, without limitation, the creation of single purpose entities) so long as the ultimate beneficial ownership remains the same as of the Effective Date, or as otherwise excluded in accordance with subsections 4.6.2.1 through 4.6.2.4 above;

4.6.2.6 any transfer consummated pursuant to Section 12.02(a) of the Limited Partnership Agreement of Lessee in the form of such partnership agreement existing as of the date of Lessee's acquisition of the leasehold under the Existing Lease and delivered to County on or prior to such date [IF PRIOR TO THE EXECUTION OF THE RESTATED LEASE DIRECTOR IN ITS DISCRETION APPROVES THE FORM OF SECTION 12.02(A) OF THE LIMITED PARTNERSHIP AGREEMENT OF LESSEE AS OF THE EFFECTIVE DATE, THEN PRIOR TO THE EXECUTION OF THE LEASE THE ABOVE REFERENCE TO THE FORM OF THE LIMITED PARTNERSHIP AGREEMENT AS OF A CERTAIN DATE SHALL BE REVISED TO BE THE FORM IN EFFECT AS OF THE EFFECTIVE DATE];

4.6.2.7 any transfer resulting from a Condemnation by County; or

4.6.2.8 any assignment of the Lease by Lessee to a parent, subsidiary or affiliate of Lessee in which there is no change to the direct and indirect beneficial ownership of the leasehold interest.

4.6.3 Aggregate Transfer. "Aggregate Transfer" shall refer to the total percentage of the shares of stock, partnership interests, membership interests or any other equity interests (which constitute beneficial residual interests in Lessee or a Major Sublessee, as appropriate) transferred or assigned in one transaction or a series of related transactions (other than those enumerated in subsection 4.6.2) occurring since the later of (a) the Effective Date, (b) the execution by Lessee of this Lease or a Major Sublease, as appropriate, or (c) the most recent Change of Ownership upon which an Administrative Charge was paid to County; provided, however, that there shall be no double counting of successive transfers of the same interest in the case of a transaction or series of related transactions involving successive transfers of the same interest. Isolated and unrelated transfers shall not be treated as a series of related transactions for purposes of the definition of Aggregate Transfer.

4.6.4 Beneficial Residual Interest. As used in this Lease, "beneficial residual interest" shall refer to the ultimate direct or indirect ownership interests in Lessee (or a Major Sublessee, as applicable), regardless of the form of ownership and regardless of whether such interests are owned directly or through one or more layers of constituent partnerships, corporations, limited liability companies or trusts.

4.6.4.1 Interests Held By Entities. Except as otherwise provided herein, an interest in Lessee, this Lease or a Major Sublease held or owned by a partnership, limited liability company, corporation or other entity shall be treated as owned by the partners, members, shareholders or other equity holders of such entity in proportion to their respective equity interests, determined by reference to the relative values of the interests of all partners, members, shareholders or other equity holders in such entity. Where more than one layer of entities exists between Lessee or a Major Sublessee, as appropriate, and the ultimate owners, then the foregoing sentence shall be applied successively to each such entity in order to determine the ownership of the beneficial interests in Lessee, this Lease or a Major Sublease, as appropriate, and any transfers thereof.

4.6.4.2 Ownership of Multiple Assets. The proceeds of any event constituting or giving rise to a Change of Ownership shall be apportioned to this Lease or a Major Sublease, whichever is appropriate, and to any other assets transferred in the same transaction in proportion to the relative fair market values of the respective assets transferred. The Net Proceeds Share shall be calculated only by reference to the amount of such proceeds apportioned to this Lease, a Major Sublease or the beneficial interests therein, whichever is appropriate.

4.7 Calculation and Payment. A deposit of Fifteen Thousand and 00/100 Dollars (\$15,000) toward the Administrative Charge shall be due and payable upon Lessee's notification

to County of the proposed Change of Ownership (that is not an Excluded Transfer) or Financing Event and request for County's approval thereof. If the transaction is approved, the balance of the Administrative Charge, if any, and the Net Proceeds Share shall be due and payable concurrently with the consummation of the transaction constituting the Change of Ownership or Financing Event giving rise to the obligation to pay such fee, regardless of whether or not money is transferred by the parties in connection with such consummation. If County disapproves the proposed transaction then, within thirty (30) days after notice of its disapproval, County shall deliver to Lessee a written notice setting forth the Administrative Charge (including documentation in support of the calculation of the Administrative Charge), together with a refund of the amount, if any, of the deposit in excess of the Administrative Charge otherwise allowable under Section 4.6. In the event that the Administrative Charge exceeds the deposit, then Lessee shall pay County the balance of the Administrative Charge otherwise allowable under Section 4.6 within thirty (30) days after receipt of the notice from County setting forth the Administrative Charge (including documentation in support of the calculation of the Administrative Charge) and any additional supporting documentation reasonably requested by Lessee within five (5) business days after its receipt of such notice. Together with its request for County approval of the proposed transaction, Lessee, a Major Sublessee or the holder of a beneficial interest in this Lease or a Major Sublease, whichever is appropriate, shall present to County its calculation of the Net Proceeds Share (if any) anticipated to be derived therefrom, which shall include the adjustment to Improvement Costs, if any, which may result from the payment of such Net Proceeds Share ("Calculation Notice"). Each Calculation Notice shall contain such detail as may be reasonably requested by County to verify the calculation of the Net Proceeds Share. Within thirty (30) days after the receipt of the Calculation Notice and all information or data reasonably necessary for County to verify the calculations within the Calculation Notice, County shall notify the party giving the Calculation Notice as to County's agreement or disagreement with the amount of the Net Proceeds Share set forth therein or the related adjustment of Improvement Costs, if any. Failure of County to approve the Calculation Notice in writing within such thirty (30) day period shall be deemed to constitute County's disapproval thereof. Failing mutual agreement within thirty (30) days after the expiration of said thirty (30) day period, the dispute shall be resolved by arbitration as set forth in Article 16 of this Lease in the manner prescribed herein for the resolution of disputes concerning Fair Market Rental Value. In the event County approves a Change of Ownership or Financing Event but a dispute exists as to the Net Proceeds Share in respect thereof or the related adjustment, if any, in Improvement Costs, then the transaction may be consummated after County has disapproved Lessee's Calculation Notice; provided, however, that (i) Lessee shall remit to County as otherwise required hereunder the undisputed portion of the Net Proceeds Share and (ii) Lessee shall deposit the disputed portion of the Net Proceeds Share into an interest bearing escrow account at the closing of the transaction (or deliver to County a letter of credit or other security reasonably acceptable to County in the amount of the disputed portion), which disputed portion shall be distributed in accordance with the arbitration of the dispute pursuant to Article 16 of this Lease, in the manner prescribed herein for the resolution of disputes concerning Fair Market Rental Value.

4.7.1 Transfer of Less Than Entire Interest. Where a Change of Ownership has occurred by reason of the transfer of less than all of an owner's beneficial interest in Lessee, this Lease or a Major Sublease, the Net Proceeds Share shall be due and payable with respect to those portions of such beneficial interest that have been acquired by the

transferee since the latest of (a) the Effective Date, (b) the most recent event creating Lessee's obligation to pay a Net Proceeds Share (including without limitation an approval by County of a transfer at a price which falls below the threshold for paying a Net Proceeds Share) with respect to this Lease (or a Major Sublease), or (c) the date which is twelve (12) months prior to the transfer which constitutes the Change of Ownership.

4.7.2 Purchase Money Notes. If the transferor of an interest accepts a note made by the transferee of such interest in payment of all or a portion of the acquisition cost (a "Purchase Money Note"), such note shall be valued at its face amount; provided that if the interest rate on such Purchase Money Note is in excess of a market rate, then the value of such note shall be increased to reflect such above-market rate. Any disputes between County and Lessee as to whether the interest rate on a Purchase Money Note is in excess of a market rate or with respect to the valuation of a Purchase Money Note with an above-market rate of interest, shall be settled by arbitration pursuant to Article 16 below.

4.7.3 Obligation to Pay Net Proceeds Share and Administrative Charge. With respect to a Change of Ownership giving rise to the Administrative Charge and Net Proceeds Share, the obligation to pay the Administrative Charge and Net Proceeds Share shall be the joint and several obligation of the transferor and transferee. In the event that the Administrative Charge or Net Proceeds Share is not paid when due with respect to the beneficial interest in this Lease, then County shall have the remedies set forth in Section 13.3 hereof; provided, however, in the case of a transfer of an interest in Lessee (as opposed to a transfer by Lessee of an interest in the Lease or the Premises) in which the transferor and transferee fail to pay the Administrative Charge and/or Net Proceeds Share due hereunder, as long as Lessee uses its best efforts to cause the payment of the required Administrative Charge and Net Proceeds Share to be made, County shall, for a period of up to three (3) years following the Change of Ownership, forbear from exercising any right to terminate the Lease as a result thereof; provided further that at the end of such three (3) year period County shall no longer have any obligation to forbear from terminating the Lease if the Administrative Charge and Net Proceeds Share, plus interest as described below, has not been paid in full. An Administrative Charge and Net Proceeds Share not paid when due hereunder shall bear interest at the Prime Rate plus three percent (3%). For purposes of determining whether County is required to forbear from terminating the Lease as described above, Lessee's obligation to use its best efforts to cause the payment of the unpaid Administrative Charge and/or Net Proceeds Share shall include the obligation at Lessee's expense, to institute a legal action against the transferor and transferee within ninety (90) days following the date of the transfer and to diligently prosecute such legal action to completion.

4.8 Net Proceeds Share. If a Change of Ownership for which a Net Proceeds Share is payable hereunder occurs prior to the twenty-fifth (25th) anniversary of the Completion Date, the Net Proceeds Share shall be an amount equal to (a) one percent (1%) of the Gross Transfer Proceeds (as defined below) from the Change of Ownership, less (b) the Administrative Charge payable by Lessee in connection with the transaction. If a Change of Ownership for which a Net Proceeds Share is payable hereunder occurs after the twenty-fifth (25th) anniversary of the Completion Date, the Net Proceeds Share shall be the amount by which (a) the greater of (i) two

percent (2%) of the Gross Transfer Proceeds from such transfer, or (ii) twenty percent (20%) of the Net Transfer Proceeds from such transfer, exceeds (b) the Administrative Charge paid by Lessee to County in connection with the transaction. With respect to a Financing Event for which a Net Proceeds Share might be payable hereunder, the Net Proceeds Share (if any) shall be the amount by which (I) twenty percent (20%) of the Net Refinancing Proceeds from such Financing Event exceeds (II) the Administrative Charge paid by Lessee to County in connection with the transaction. For purposes hereof, "Gross Transfer Proceeds" shall mean an amount equal to the gross sale or transfer proceeds and other consideration given for the interests transferred (but in the case of a transfer to a party affiliated with or otherwise related to the transferor which constitutes a Change of Ownership that is not an Excluded Transfer, such consideration shall in no event be deemed to be less than the fair value of the interests transferred; if Lessee and County are unable to agree upon such fair value, then the matter shall be determined pursuant to Article 16).

4.8.1 Transaction by Original Lessee. In the case of a transfer by Lessee (but not a transfer by a successor or assignee of Lessee) constituting a Change of Ownership for which a Net Proceeds Share is payable, "Net Transfer Proceeds" shall mean the Gross Transfer Proceeds from the transfer, less the following costs with respect to Lessee (but not its successors or assignees):

4.8.1.1 The sum of (a) the purchase price paid by Lessee for the acquisition from Neptune Marina in June, 2004 of the leasehold interest in the Premises under the Existing Lease, plus (b) the amount of the total Extension Fee that has been paid by Lessee as of the date of the Change of Ownership, plus (c) actual out-of-pocket costs incurred by Lessee for its third party consultants and attorneys and Actual Costs reimbursed to County in connection with the negotiation and consummation of the Option Agreement and this Lease (the sum of the amounts in (a), (b) and (c) are referred to as the "Base Value"), plus (d) the final actual construction costs paid by Lessee in connection with the construction of the Redevelopment Work, the Anchorage Facilities replacement work described in Section 5.2, and other capital renovations to the Premises, or other physical capital Improvements or Alterations to the Premises (including future capital redevelopment and rehabilitation work, but not periodic maintenance and repair) constructed by Lessee in compliance with Article 5 of this Lease (including in each case all hard and soft costs, construction period interest on Lessee's construction loan, and developer fees incurred by Lessee, as long as such developer fees do not exceed four percent (4%) of hard construction costs), which costs have been submitted to County within ninety (90) days after the completion of such Improvements (or in the case of phased construction, within ninety (90) days after the completion of the applicable phase), together with a written certification from Lessee and Lessee's construction lender, if any, to the effect that such costs are accurate (the amounts described in this clause (c) are referred to as "Improvement Costs"). Notwithstanding the foregoing, with respect to Improvements or Alterations which are not part of the Redevelopment Work, Lessee shall submit the cost of such Improvements on an annual basis within ninety (90) days following the end of each fiscal year. If by the date that is ninety (90) days after the completion of the Redevelopment Work (or other

Improvements) the final amount of the Improvement Costs is not established because of a dispute or disputes between Lessee and its contractor(s), then Lessee shall note such dispute(s) in its submission of the Improvement Costs (including a description of the costs and the amounts under dispute). Lessee shall thereafter notify County in writing within thirty (30) days after the resolution of any such dispute as to any final adjustment required to the amount of the Improvement Costs to reflect the resolution of such dispute.

4.8.1.2 Commissions, title and escrow costs, documentary transfer taxes, sales and use taxes, reasonable attorneys' fees, prepayment fees, penalties or other similar charges (such as yield maintenance premiums or defeasance costs), and other bona fide closing costs actually paid to third parties and documented to the reasonable satisfaction of County, which costs were directly attributable to the consummation of the particular transaction giving rise to the obligation to pay County a Net Proceeds Share (collectively, "Documented Transaction Costs").

4.8.1.3 That portion of the principal amount of any Financing Event after the Effective Date that constituted Net Refinancing Proceeds on which Lessee paid County a Net Proceeds Share (or, in the case of a Financing Event on which Lessee would have paid a Net Proceeds Share but for the exceptions set forth in Section 4.6).

4.8.2 Transfer by Lessee's Successor. In the case of a transfer by a Lessee other than the original Lessee, "Net Transfer Proceeds" shall mean the Gross Transfer Proceeds received by that successor, minus the following costs with respect to such successor Lessee:

4.8.2.1 The greatest of (a) the sum of the Base Value, plus Improvement Costs incurred subsequent to the Effective Date but prior to the acquisition of the leasehold interest by such successor, (b) the purchase price such successor paid to Lessee or such successor's seller for the interest acquired or (c) the original principal amount of any Financing Event or Financing Events (on a non-duplicative basis) after such successor Lessee's acquisition of the leasehold and with respect to which County was paid a Net Proceeds Share (or, in the case of a Financing Event on which Lessee would have paid a Net Proceeds Share but for the exceptions set forth in Section 4.6), plus the principal amount of any financing existing as of the date on which such seller acquired the leasehold or subsequently obtained by Lessee, if such financing has not been refinanced, but without duplication;

4.8.2.2 Improvement Costs actually paid by such successor Lessee after such successor Lessee's acquisition of its leasehold interest in the Premises (but not duplicative of the principal amount of any Financing Event described in clause 4.8.2.1(c) above, the proceeds of which were used to fund such Improvement Costs); provided that such costs have been submitted to County,

with an appropriate lender and Lessee certification, as provided in subsection 4.8.1.1; and,

4.8.2.3 Documented Transaction Costs with respect to the transfer of the interest by the successor.

4.8.3 Transfers of Major Sublessee's Interest. With respect to any Change of Ownership described in subsection 4.6.1(b), subsections 4.8.1 and 4.8.2 shall apply, except that any rents or other amounts received by Lessee from the Major Sublessee a percentage of which is passed through to County under any provision of this Lease (other than payment of Net Proceeds Share) shall be disregarded in the computation of Net Transfer Proceeds.

4.8.4 Other Transfers. With respect to any Change of Ownership that is not an Excluded Transfer and is not described in subsections 4.8.1 through 4.8.3 (e.g., a transfer of an interest in an entity holding a direct or indirect ownership interest in this Lease or in a Major Sublease), subsections 4.8.1 and 4.8.2 shall apply to such Change of Ownership, except that in lieu of deducting the Base Value and Improvement Costs in determining Net Transfer Proceeds, the cost to the transferor of the interest being transferred or which was transferred in the past but constitutes a portion of an Aggregate Transfer (which cost shall in no event be deemed to be less than a pro rata share of the Base Value and Improvement Costs (or following a transfer by the original Lessee, such cost shall in no event be deemed to be less than a prorata share of the sum of subsections 4.8.2.1 plus 4.8.2.2 as of the respective date of the transfer of each interest in the aggregation pool)) shall be deducted. Furthermore, in the event that any such Change of Ownership produces a Net Proceeds Share, the then existing Improvement Costs shall be increased by an appropriate amount to reflect the basis on which the Net Proceeds Share was calculated, and the basis of the interest that was transferred and for which a Net Proceeds Share was paid shall also be increased for subsequent transfers of the same interest, as if realized by Lessee upon a transfer of a comparable interest in this Lease or in a Major Sublease, as appropriate.

4.8.5 Net Refinancing Proceeds. "Net Refinancing Proceeds" shall mean the gross principal amount of any Financing Event after the Effective Date (plus in the case of secondary financing the original principal balance of any existing financing that is not repaid as a part of such secondary financing), minus (i) the greatest of (a) the Base Value plus the Improvement Costs, (b) the original principal amount of any subsequent refinancing by Lessee in connection with which County was paid a Net Proceeds Share (or, in the case of a Financing Event in connection with which Lessee would have paid a Net Proceeds Share but for the exceptions set forth in Section 4.6) plus if the financing described in this clause (b) was secondary financing, the original principal balance of any then existing financing that was not repaid as a part of such secondary financing, or (c) in the case of a successor Lessee, the purchase price such successor paid to Lessee or such successor's seller for the interest acquired, (ii) any portion of the proceeds of the Financing Event which shall be used for Improvement Costs, (iii) other Improvement Costs incurred by Lessee and not paid for or repaid with the proceeds of any Financing Event, and (iv) Documented Transaction Costs with respect to such Financing Event, and

Documented Transaction Costs with respect to any previous refinancing to the extent such previous refinancing did not produce sufficient Net Refinancing Proceeds against which such Documented Transaction Costs could be offset. Notwithstanding the foregoing, there shall be no double counting of Improvement Costs in clauses (i), (ii) and (iii) above. In addition, notwithstanding any contrary provision of Section 4.6 above pursuant to which a Net Proceeds Share would be due upon a Financing Event, if the purpose of a Financing Event is to fund the acquisition cost (or a portion of the acquisition cost) of a Change of Ownership that is not an Excluded Transfer, then to the extent that the gross principal amount of the Financing does not exceed the gross sale or transfer price of such Change of Ownership, and if the Financing Event is consummated concurrently with the consummation of the Change of Ownership, there shall not be any separate Net Proceeds Share payable in connection with such Financing Event.

4.8.6 Transfers to which Sections 4.6 through 4.8 Apply. The provisions of Sections 4.6 through 4.8 hereof shall apply to all transfers of beneficial interests in this Lease or a Major Sublease which constitute a Change of Ownership, unless such transfers are otherwise excluded pursuant to this Lease. Furthermore, the provisions of Sections 4.6 through 4.8 of this Lease, and the principles set forth therein, shall apply to any transfer or series of transfers which County can demonstrate was primarily structured for the purpose of avoiding the obligation to pay Net Proceeds Share set forth in Sections 4.6 through 4.8 of this Lease and which, viewed together, would otherwise constitute a Change of Ownership.

4.8.7 Payment. Net Proceeds Share shall be due and payable concurrently with the transfer giving rise to the obligation to pay such share and shall be the joint and several obligation of the transferee and transferor. Net Proceeds Share not paid when due shall be subject to a late fee of six percent (6%) of the amount due, together with interest on such Net Proceeds Share and late fee at the Applicable Rate from the date due until paid; provided that in the case of a dispute as to the correct amount of the Net Proceeds Share there shall be no late fee payable as long as Lessee timely pays to County the undisputed portion of the Net Proceeds Share and deposits the disputed portion thereof in an interest bearing escrow account at the closing of the transaction (or delivers to County a letter of credit or other security reasonably acceptable to County in the amount of such disputed portion). In the event that the proceeds of the transaction giving rise to the obligation to pay Net Proceeds Share are comprised, in whole or in part, of assets other than cash, then the cash payment of the Net Proceeds Share shall reflect the fair market value of such non-cash assets as of the date of the Change of Ownership, which shall be set forth in the Calculation Notice. Notwithstanding the foregoing, in the case of a Change of Ownership described in subsection 4.6.1(b), the Net Proceeds Share shall be payable to County as and when the Net Transfer Proceeds are received, with the Net Proceeds Share being equitably apportioned to the payments derived by Lessee from said Change of Ownership (other than any payments passed through to County under this Lease).

4.8.8 Shareholder, Partner, Member, Trustee and Beneficiary List. Prior to the Effective Date, prior to each subsequent Change of Ownership or Financing Event and upon the request of County (which requests shall be no more frequent than once per

year), Lessee shall provide County with an updated schedule listing the names and mailing addresses of (i) all shareholders, partners, members and other holders of equity or beneficial interests in Lessee, this Lease or the Major Sublessee under any Major Sublease, and (ii) all shareholders, partners, members and other holders of equity or beneficial interests in any of the constituent shareholders, partners, members or other holders of equity or beneficial interests in Lessee or any Major Sublessee under any Major Sublease, if such interest exceeds a five percent (5%) or greater beneficial interest in Lessee or the Major Sublessee under a Major Sublease. In the event that such shareholder, partner, member or other interest holder is a trust, Lessee shall include in such schedule the name and mailing address of each trustee of said trust, together with the names and mailing addresses of each beneficiary of said trust with greater than a five percent (5%) actuarial interest in distributions from, or the corpus of, said trust; provided, however, that to the extent that Lessee is prevented by Applicable Laws from obtaining such information regarding the beneficiaries of said trust(s), Lessee shall have complied with this provision if Lessee uses its best efforts to obtain such information voluntarily and provides County with the opportunity to review any such information so obtained. Lessee agrees to use its best efforts to provide County with any additional information reasonably requested by County in order to determine the identities of the holders of five percent (5%) or greater beneficial interests in Lessee or a Major Sublease.

5. CONSTRUCTION OF IMPROVEMENTS.

5.1 Redevelopment Work. It is expressly understood and agreed that following the Effective Date Lessee shall proceed to demolish the existing landside Improvements located on the Premises and construct four hundred (400) new luxury apartment units on the Premises, consisting of two hundred forty six (246) one bedroom and one hundred fifty four (154) two bedroom units. The construction of such new apartments, along with all associated improvements, parking facilities, hardscape, landscape and other site work approved by County and to be performed in connection with the construction of such new apartments, are herein collectively referred to as the "Landside Work." The existing Improvements currently include one hundred eighty-four (184) anchorage slips and fourteen (14) end-ties. In addition to the Landside Work, Lessee shall demolish the existing anchorage slips, end-ties and related anchorage Improvements on the Premises, and replace the same with new anchorage slips, end-ties and related anchorage Improvements, including without limitation new docks, gangways and related components (collectively, the "Anchorage Facilities"), including one hundred sixty-one (161) anchorage slips and thirteen (13) end-ties, plus the one Transient Slip described in Section 17.10 below [IF NECESSARY, PRIOR TO EXECUTION OF THE LEASE THE NUMBER OF ANCHORAGE SLIPS/END TIES WILL BE REVISED TO REFLECT ANY CHANGE IN THE NUMBER OF SUCH ANCHORAGE SLIPS/END TIES IN THE LESSEE'S FINAL ENTITLEMENTS, AS APPROVED BY COUNTY UNDER THE OPTION AGREEMENT]. The new Anchorage Facilities shall meet current Applicable Laws, including without limitation all ADA requirements. The foregoing demolition and construction work pertaining to the Anchorage Facilities is referred to herein as the "Anchorage Work."

In addition to the foregoing, Lessee shall construct on a parcel to be created by County adjacent to the Premises as described in the general development plan attached to this Lease as Exhibit B, new public transient docks (the "Public Docks") in accordance with the design that

has been approved by County, Lessee and all necessary governmental regulatory agencies pursuant to the Option Agreement. County shall be responsible for the creation of the separate parcel for the Public Docks and providing all necessary easements or other rights for access and temporary construction easements required by Lessee in connection with the construction of the Public Docks. Any delays caused by County in providing the necessary rights in order to facilitate construction of the Public Docks, or in approving the Final Plans for the Public Docks pursuant to Section 5.1.1 below (to the extent such Final Plans are not approved prior to the Effective Date) shall extend the Required Construction Completion Date for the Public Docks. County shall own the Public Docks and following completion of the Public Docks County shall assume full control and responsibility for the operation and maintenance of the Public Docks. Lessee shall assign all construction warranties to County. The foregoing construction work pertaining to the Public Docks is referred to herein as the "Public Docks Work." The Landside Work, the Anchorage Work and the Public Docks Work are collectively referred to herein as the "Redevelopment Work."

The scope, design, density, site coverage, layout and open space, view corridors, building height, construction materials, landscaping, hardscaping and other improvement specifications pertaining to the Redevelopment Work shall be in accordance with the general development plan attached to this Lease as Exhibit B and shall be subject to County's approval as set forth in this Article 5 and Section 6.3 of the Option Agreement. The design and quality standards for the Landside Improvements shall be at least commensurate with those of luxury apartment projects recently constructed on the Westside of Los Angeles. The design and quality standards for the Anchorage Work and the Public Docks shall require that the Anchorage Facilities, as renovated, and the Public Docks are first-class, state of the art, and comply with (i) the then most recent edition of the Minimum Standards, (ii) the then most recent edition of Layout and Design Guidelines for Small Craft Facilities by the California Department of Boating and Waterways (or similar successor publication), and (iii) design memoranda as provided by the Harbor Engineer of the Los Angeles County Department of Beaches and Harbors (collectively, the "Anchorage Facilities Quality Standard").

Lessee shall be responsible for the acquisition and compliance with all required governmental (including, without limitation, County, Coastal Commission and Design Control Board) planning and entitlement approvals for the Redevelopment Work. Lessee shall be solely responsible for all costs and expenses incurred in connection with the design, entitlement and construction of the Redevelopment Work.

Lessee shall comply with all time deadlines and schedules set forth in this Article 5 relating to the completion of the design and construction of the Redevelopment Work. Lessee's failure to do so shall, if not cured within the applicable cure period set forth in subsection 13.1.2, constitute an Event of Default. Except to the extent Lessee is prevented from so doing by the events identified in Sections 5.6 or 5.7, Lessee shall cause (1) the Substantial Commencement of Construction of the Redevelopment Work in accordance with the Final Redevelopment Work Plans and Specifications (as defined in subsection 5.1.1 below) to occur on or before that date (the "Required Construction Commencement Date") which is six (6) months following the Effective Date, and (2) the Substantial Completion of the Redevelopment Work to occur on or before that date (the "Required Construction Completion Date") that is thirty (30) months following the Effective Date.

For the purposes of this Lease, "Substantial Commencement" or "Substantial Commencement of Construction" shall mean the commencement of the demolition work required in connection with the Redevelopment Work, as long as following the commencement of demolition Lessee diligently proceeds to complete such demolition work and commences the actual construction of the new Improvements immediately following the completion of demolition. For purposes of this Lease, the terms "Substantial Completion" or "Substantially Complete" as they pertain to a portion of the Redevelopment Work shall mean the completion of such portion of the Redevelopment Work in accordance with the Final Redevelopment Work Plans and Specifications, subject to minor so-called punch list items that do not interfere with the use and occupancy of such portion of the Redevelopment Work. Without limitation of any other requirements for Substantial Completion, the requisite portion of the Redevelopment Work shall not be considered Substantially Completed until Lessee has received a temporary certificate of occupancy or equivalent approval required for the legal occupancy and use of such Redevelopment Work. The Required Construction Commencement Date and Required Construction Completion Date will be extended only under the specific circumstances set forth in Sections 5.6 or 5.7, and under no other circumstances. In the event that Lessee fails to Substantially Commence Construction of the Redevelopment Work on or before the Required Construction Commencement Date, or fails to substantially complete the Redevelopment Work on or before the Required Construction Completion Date (as such dates may be extended pursuant to Sections 5.6 or 5.7 below), then in addition to any other right or remedy which County may have in connection therewith, but subject to Section 12.12, this Lease shall be automatically amended such that the terms and provisions of this Lease revert back to the terms and provisions of the Existing Lease (including, without limitation, the Existing Expiration Date).

5.1.1 Final Redevelopment Work Plans and Specifications. Pursuant to Sections 6.3.1 and 6.3.2 of the Option Agreement, County has heretofore approved the Schematics and the Preliminary Plans for the Redevelopment Work. On or before ninety (90) days prior to the Required Construction Commencement Date, Lessee shall submit for approval by Director six (6) complete sets of final plans and detailed specifications for the Redevelopment Work on the Premises (the "Final Plans"), together with one (1) set of appropriate structural computations, identical to those requested or required by the County Director of Public Works incident to the issuance of building permits under the relevant provisions of the Los Angeles County Building Code. The Final Plans shall reflect a natural progression and logical evolution from the Preliminary Plans approved under the Option Agreement. Lessee shall file duplicate copies of the Final Plans required by this subsection with the County Director of Public Works, together with the necessary and appropriate applications for building permits for the Redevelopment Work on the Premises. Any material difference in the scope, size, configuration, arrangement or motif of the Improvements described in the Final Plans from those described in the Preliminary Plans for the Premises approved under Section 6.3.2 of the Option Agreement shall be separately identified and described. Director shall have twenty one (21) days within which to approve or disapprove the Final Plans, which approval shall not be unreasonably withheld. Director may disapprove the Final Plans only on the grounds that they do not reflect a natural evolution from or that they materially differ from the approved Preliminary Plans (exclusive of any Approved Governmental Changes, as defined in Section 6.3.1 of the Option Agreement). Failure of Director to

disapprove said Final Plans within twenty one (21) days after Director's receipt shall be deemed Director's approval thereof; provided, however, that in the event that the Final Plans contain substantial changes from the Preliminary Plans (other than any Approved Governmental Changes), then Director shall have sixty (60) days in which to approve the Final Plans, which approval shall be deemed withheld if not granted in writing within such sixty (60) day period; and provided further, that together with the submission of the Final Plans, Lessee must deliver to Director a transmittal letter containing the following text prominently displayed in bold faced type:

"PURSUANT TO SUBSECTION 5.1.1 OF THE LEASE, IF THESE MATERIALS CONTAIN NO SUBSTANTIAL CHANGES (OTHER THAN ANY APPROVED GOVERNMENTAL CHANGES) FROM THE MATERIALS PREVIOUSLY SUBMITTED TO YOU, YOU HAVE TWENTY ONE (21) DAYS AFTER RECEIPT OF THESE MATERIALS IN WHICH TO APPROVE OR DISAPPROVE THEM. FAILURE TO DISAPPROVE THESE MATERIALS IN WRITING WITHIN TWENTY ONE (21) DAYS OF YOUR RECEIPT OF THESE MATERIALS SHALL CONSTITUTE YOUR APPROVAL OF THEM."

Following any deemed disapproval by Director of such submission, Director shall, within thirty (30) days after receipt of a written request from Lessee, disclose to Lessee in writing Director's objections to the submission. Director's approval shall not be unreasonably withheld; provided, however, that it shall be deemed reasonable to disapprove any submission not in substantial conformity with the approved Preliminary Plans (exclusive of any Approved Governmental Changes). Upon approval, the Final Plans shall be referred to herein as the "Final Redevelopment Work Plans and Specifications." No material modifications shall be made to the Improvements described in the approved Final Redevelopment Work Plans and Specifications, without the prior written approval of Director, which shall not be unreasonably withheld.

5.2 · Future Replacement of Anchorage Facilities. During the period from the thirtieth (30th) anniversary of the Effective Date through the forty-fifth (45th) anniversary of the Effective Date, County shall have the right to have the condition of the Anchorage Facilities inspected from time to time by an independent, nationally recognized, marine engineering consultant selected by County. For purposes of this Section 5.2 only, the Anchorage Facilities shall include the landside lockers, restrooms and shower facilities to which the users of the anchorage improvements are provided access. County and Lessee shall equally share the fees and expenses incurred for the marine engineering consultant engaged by the County under this Section 5.2. If in the opinion of such engineering consultant the Anchorage Facilities (i) are unsafe, unsightly or at the end of their useful lives; or (ii) are of a lesser overall quality than a majority of the other anchorage facilities operated in Marina del Rey at the time of the inspection, then at the County's request Lessee shall, at Lessee's cost, replace the Anchorage Facilities with new Anchorage Facilities. For purposes of this Section 5.2, the Anchorage Facilities shall be inspected and evaluated by the engineering consultant on a section by section basis, and if a particular section, or a material portion of a particular section, of the Anchorage Facilities does not satisfy the test set forth above, then Lessee shall be required to replace all of the component parts of such section. For purposes hereof, the landside lockers, on the one hand,

and the restrooms and shower facilities, on the other hand, shall each be considered to be a separate "section" of the Anchorage Facilities. Notwithstanding that the inspection of the Anchorage Facilities shall be performed on a section by section basis, if multiple sections of the Anchorage Facilities do not meet the test set forth above in this Section 5.2, then Lessee shall be required to perform the replacement of all of such deficient Anchorage Facilities at the same time unless Lessee and Director otherwise agree upon a mutually acceptable phasing schedule for such replacement. In all events, all of the Anchorage Facilities shall be replaced at one point or another during the period between the thirtieth (30th) and forty-fifth (45th) anniversaries of the Effective Date.

The replacement Anchorage Facilities under this Section 5.2 shall comply with the Anchorage Facilities Quality Standard defined in Section 5.1 above and shall be performed in accordance with all terms and provisions of this Article 5 applicable to Alterations. The consultant's determination as to the date that the Anchorage Facilities, or portions thereof, require replacement pursuant to this Section 5.2 shall be based solely on the actual condition of such Anchorage Facilities, and no consideration shall be given to the duration of the remaining Term of the Lease in making such determination. If the consultant determines that Anchorage Facilities replacement work is required, then concurrent with such determination, the consultant shall include as a part of such determination its opinion as to the period of time reasonably necessary to perform the design, permitting and construction of such work. Lessee shall commence any required work (i.e., commence any design and permitting work) within sixty (60) days following receipt of the consultant's determination and thereafter complete the installation and construction of the work within the period prescribed in the consultant's determination. Notwithstanding any contrary provision of this Section 5.2, with respect to the landside lockers, restrooms and shower facilities included in the Anchorage Facilities, Lessee shall have the right to choose to renovate such facilities in a manner that meets the Anchorage Facilities Quality Standard in lieu of the complete replacement thereof.

5.3 Plans and Specifics for Alterations. For purposes of this Lease, "Alterations" means any and all alterations or modifications to the Improvements located on the Premises or the construction of any new Improvements on the Premises, other than the Redevelopment Work. Lessee shall make no Alterations to the Improvements located on the Premises without the prior written approval by Director of such Alterations (including the Director's approval of the plans, specifications and other materials pertaining to such Alterations required under this Section 5.3). Prior and as a condition precedent to the construction of any Alterations, Lessee shall submit to Director, for Director's approval, the plans, specifications and other materials described in this Section 5.3 pertaining to such Alterations. All Alterations must be consistent with the Permitted Uses set forth in Article 3 of this Lease. The plan submittal and approval procedures set forth in subsections 5.3.1 through 5.3.3 below shall not be applicable to the Redevelopment Work. The Redevelopment Work shall be subject to the plan submittal and approval procedures set forth in the Option Agreement and subsection 5.1.1 of this Lease.

5.3.1 Schematics and Narrative. Lessee shall submit to the Director six (6) sets of schematic plans together with a narrative description and construction cost estimate summary clearly delineating the nature, size, configuration and layout of the Alterations. Such plans shall, among other things, clearly delineate the architectural theme or motif of the Alterations and shall identify and illustrate all affected boundaries

of the Premises and all affected rights-of-way or other areas reserved to County or third parties which are located thereon. Director shall have sixty (60) days within which to approve or disapprove such submission. Failure of Director to approve such submission in writing within said sixty (60) day period shall be deemed disapproval of said submission. Following any deemed disapproval of such submission by Director, Director shall, within thirty (30) days after receipt of a written request from Lessee, disclose to Lessee in writing Director's objections to the submission. After approval of schematic plans (or subsequent approval of preliminary or final plans) by Director, if changes in such plans are required by conditions of approval of the Alterations imposed by the California Coastal Commission or other governmental agency having jurisdiction thereover, Lessee shall promptly advise Director in writing of such changes and Director shall not disapprove those changes which constitute Approved Governmental Changes.

5.3.2 Preliminary Plans and Specifications. After Director's approval of the materials submitted pursuant to subsection 5.3.1, Lessee shall submit to Director six (6) sets of preliminary plans, outline specifications and construction cost estimates for the Alterations. The preliminary plans, outline specifications and construction cost estimate shall conform to, expand upon and reflect a natural evolution from the descriptions and estimates set forth in the approved schematic plans and narrative. Any difference in the scope, size, configuration, arrangement or motif of the Improvements from those described in the approved schematics and narrative shall be separately identified and described. Director shall have twenty-one (21) days within which to approve or reasonably disapprove such submission, and Director may disapprove said preliminary plans only on the grounds that (i) they do not reflect a natural evolution from the approved schematic plans or that they materially differ from the approved schematic plans and narrative (exclusive of any Approved Governmental Changes), or (ii) that any new, different or additional specifications for the Improvements not expressly set forth in, and approved by Director as a part of, the schematic plans do not meet the requirements for the Improvements set forth in this Article 5. Failure of Director to disapprove said preliminary plans within twenty one (21) days after Director's receipt thereof shall be deemed Director's approval thereof; provided, however, that in the event that the preliminary plans, outline specifications and construction cost estimates contain substantial changes from the approved schematics and narrative (other than Approved Governmental Changes), then Director shall have sixty (60) days in which to approve said submission, which approval shall be deemed withheld if not granted in writing within such sixty (60) day period; and provided further, that together with the submission of the preliminary plans, outline specifications and construction cost estimates, Lessee must deliver to Director a transmittal letter containing the following text prominently displayed in bold faced type:

**“PURSUANT TO SUBSECTION 5.3.2 OF THE AMENDED AND
RESTATED LEASE AGREEMENT, IF THESE MATERIALS
CONTAIN NO SUBSTANTIAL CHANGES (OTHER THAN
APPROVED GOVERNMENTAL CHANGES) FROM THE
MATERIALS PREVIOUSLY SUBMITTED TO YOU, YOU HAVE
TWENTY ONE (21) DAYS AFTER RECEIPT OF THESE
MATERIALS IN WHICH TO APPROVE OR DISAPPROVE THEM.**

FAILURE TO DISAPPROVE THESE MATERIALS IN WRITING
WITHIN TWENTY ONE (21) DAYS OF YOUR RECEIPT OF THESE
MATERIALS SHALL CONSTITUTE YOUR APPROVAL OF THEM.”

Following any deemed disapproval of such submission by Director, Director shall, within thirty (30) days after receipt of a written request from Lessee, disclose to Lessee in writing Director’s objections to the submission.

5.3.3 Final Plans and Specifications. After approval of the preliminary plans, Lessee shall submit for approval by Director six (6) complete sets of final plans, detailed specifications and a construction cost statement for the Alterations, together with one (1) set of appropriate structural computations, identical to those requested or required by the County Director of Public Works incident to the issuance of building permits under the relevant provisions of the Los Angeles County Building Code. Lessee shall file duplicate copies of the final plans, detailed specifications and construction cost statement required by this Section with the County Director of Public Works, together with the necessary and appropriate applications for building permits. Any difference in the scope, size, configuration, arrangement or motif of the Alterations from those described in the approved preliminary plans and specifications shall be separately identified and described. Director shall have twenty one (21) days within which to approve or disapprove such submission, and Director may disapprove such submission only on the grounds that (i) they do not reflect a natural evolution from or that they materially differ from the approved preliminary plans, outline specifications and construction cost estimates (exclusive of any Approved Governmental Changes), or (ii) that any new, different or additional specifications for the Improvements not expressly set forth in, and approved by Director as a part of, the preliminary plans do not meet the requirements for the Improvements set forth in this Article 5. Failure of Director to disapprove said materials within twenty one (21) days after Director’s receipt shall be deemed Director’s approval thereof; provided, however, that in the event that the final plans, detailed construction specifications and construction cost statement contain substantial changes from the preliminary plans, outline specifications and construction cost estimates (other than Approved Governmental Changes), then Director shall have sixty (60) days in which to approve said submission, which approval shall be deemed withheld if not granted in writing within such sixty (60) day period; and provided further, that together with the submission of the final plans, detailed construction specifications and construction cost statement, Lessee must deliver to Director a transmittal letter containing the following text prominently displayed in bold faced type:

“PURSUANT TO SUBSECTION 5.3.3 OF THE AMENDED AND
RESTATED LEASE AGREEMENT, IF THESE MATERIALS
CONTAIN NO SUBSTANTIAL CHANGES (OTHER THAN
APPROVED GOVERNMENTAL CHANGES) FROM THE
MATERIALS PREVIOUSLY SUBMITTED TO YOU, YOU HAVE
TWENTY ONE (21) DAYS AFTER RECEIPT OF THESE
MATERIALS IN WHICH TO APPROVE OR DISAPPROVE THEM.
FAILURE TO DISAPPROVE THESE MATERIALS IN WRITING

WITHIN TWENTY ONE (21) DAYS OF YOUR RECEIPT OF THESE
MATERIALS SHALL CONSTITUTE YOUR APPROVAL OF THEM.”

Following any deemed disapproval of such submission by Director, Director shall, within thirty (30) days after receipt of a written request from Lessee, disclose to Lessee in writing Director's objections to the submission. Director's approval shall not be unreasonably withheld; provided, however, that it shall be deemed reasonable to disapprove any submission not in substantial conformity with the approved preliminary plans and specifications (exclusive of any Approved Governmental Changes), or which contains new, different or additional specifications for the Improvements which were not expressly set forth in, and approved by Director as a part of, the preliminary plans and which do not meet the requirements for the Improvements set forth in this Article 5. No material modification shall be made to the Alterations described in the approved final plans, specifications and costs (the "Final Alteration Plans and Specifications") without the prior written approval of Director, which shall not be unreasonably withheld.

5.4 Conditions Precedent to the Commencement of Construction. No Redevelopment Work or Alterations shall be commenced until each and all of the following conditions have been satisfied:

5.4.1 Permits and Other Approvals. Lessee shall have received and furnished the Department with copies of all permits, licenses and other governmental approvals necessary for commencement of the Redevelopment Work or Alterations, as the case may be. All permits, licenses and other governmental approvals necessary for subsequent stages of the Redevelopment Work or Alterations shall be furnished to the County prior to commencement of such stages.

5.4.2 Copies of Construction Contracts. Lessee shall have furnished County with copies of any contract(s) entered into between Lessee and any general contractor(s) employed for the purpose of constructing the Redevelopment Work or Alterations, as the case may be.

5.4.3 Performance and Payment Bonds. Lessee shall, at its own cost and expense, have furnished County with the following separate corporate surety bonds not less than ten business (10) days prior to the commencement of construction, which bonds must be in form and content reasonably satisfactory to County:

5.4.3.1 A corporate surety performance bond ("Performance Bond") issued by a surety company licensed to transact business as such in the State of California, in an amount not less than one hundred percent (100%) of the amount of all hard construction costs approved by County in conjunction with the approved work. The Performance Bond and its issuer shall be in all material respects reasonably satisfactory to County. It shall name Lessee as principal and said issuer as surety, and County as obligee, assuring full and satisfactory performance by Lessee of Lessee's obligations herein to build, construct and otherwise complete the Improvements described in the approved final plans and specifications.

5.4.3.2 A corporate surety payment bond, issued by a surety company licensed to transact business as such in the State of California, with Lessee as principal, said company as surety and County as obligee, in a sum equal to one hundred percent (100%) of the total construction cost anticipated to be incurred in connection with the approved work, guaranteeing payment for all materials, provisions, supplies and equipment used in, upon, for or about the performance of said construction work or for labor done thereon of any kind whatsoever and protecting County from any and all liability, loss or damages arising out of or in connection with any failure to make such payment (the "Payment Bond"). The Payment Bond shall be in form and content reasonably satisfactory to County.

In the event that construction is performed by a licensed general contractor on behalf of Lessee, provided that such contractor provides County with a bond or bonds compliant with this subsection, and in all material respects reasonably satisfactory to County and otherwise complying with this subsection, County will accept such contractor's bonds in lieu of the Performance Bond and/or Payment Bond by Lessee required by this subsection 5.4.3. Any bonds provided by Lessee or its general contractor pursuant to this subsection may name the Lessee's lender as an additional obligee.

5.4.4 Alternative Security. In lieu of providing the Payment and Performance Bonds, Lessee may, in its discretion, provide any one or any combination of the following alternative security: (i) a completion guaranty, in form and substance reasonably acceptable to County, made by an individual or entity with a sufficient net worth and liquidity, in the sole discretion of Director, to comply with the terms of such guaranty in view of the potential financial responsibility involved, (ii) a Certificate of Deposit, cash or United States governmental security, (iii) an additional Letter of Credit, or (iv) a Set Aside Letter from Lessee's construction lender. The security described in clauses (ii), (iii) and (iv) above shall be in an amount equal to one hundred percent (100%) of the construction contract price for hard costs, and shall permit County to draw thereon to complete the construction of the Improvements if same have not been completed by Lessee or if a material Event of Default has occurred under this Lease. In addition, Director also shall have the authority to accept in lieu of the Payment and Performance Bonds, so-called "Subguard" insurance in such amount, on such terms and issued by such carrier as approved by Director, in combination with such other security, such as a completion guaranty, as acceptable to Director. Any alternative security provided by Lessee pursuant to this subsection may name County and Lessee's construction lender as co-beneficiaries. A condition precedent to Lessee's right to provide the alternate security described in this subsection 5.4.4 shall be delivery by Lessee to County of an opinion of counsel from a firm and in a form acceptable to County to the effect that the construction work does not constitute a public work of improvement requiring the delivery of the bonds described in subsection 5.4.3 above. Director shall have the authority, in his reasonable discretion, to modify, waive or reduce the amount of any bonds or alternate security required hereunder.

5.4.5 Evidence of Financing. Lessee shall have provided evidence satisfactory to County of its having sufficient financial resources, as determined by

Director, to complete the Redevelopment Work or Alterations, as applicable. Lessee shall furnish Director with copies of all final notes, guarantees, partnership, shareholder or limited liability company agreements, construction loan and/or permanent loan commitments, documents evidencing equity contributions, documents creating and/or perfecting security interests, and all documents and exhibits referred to in any of the foregoing, together with any and all recorded documents affecting an interest in the Premises, within seven (7) days after such document or instrument becomes effective.

5.4.6 Work Schedule. With respect to the Redevelopment Work, Lessee shall have provided County with a construction schedule which will result in the completion of the Redevelopment Work on or before the Required Construction Completion Date, as such date may be extended as provided in this Article 5.

5.5 County Cooperation. In its proprietary capacity, the Department shall cooperate with and assist Lessee, to the extent reasonably requested by Lessee, in Lessee's efforts to obtain the appropriate governmental approvals, consents, permits or variances which may be required in connection with the performance by Lessee of the Redevelopment Work described in Section 5.1 above, the future Anchorage Facilities replacement work described in Section 5.2 above, and the Subsequent Renovations described in Section 5.13 below, as applicable. Such cooperative efforts may include the Department's joinder in any application for such approval, consent, permit or variance, where joinder therein by the Department is required or helpful; provided, however, that Lessee shall reimburse County for the Actual Cost incurred by the Department in connection with such joinder or cooperative efforts. Notwithstanding the foregoing, Lessee and County acknowledge that the approvals given by County under this Lease are approvals pursuant to its authority under Section 25536 or 25907 of the California Government Code; that approvals given under this Lease in no way release Lessee from obtaining, at Lessee's expense, all permits, licenses and other approvals required by law for the construction of Improvements on the Premises and operation and other use of such Improvements on the Premises; and that the Department's duty to cooperate and County's approvals under this Lease do not in any way modify or limit the exercise of County's governmental functions or decisions as distinct from its proprietary functions pursuant to this Lease.

5.6 Delays in Completion of Redevelopment Work. Once construction of the Redevelopment Work has been Substantially Commenced, Lessee shall thereafter diligently pursue the completion of such construction by the Required Construction Completion Date. During this period, delays due to fire, earthquake, flood, tornado or other act of God, civil disturbance, war, organized labor dispute, freight embargo or other unforeseeable event reasonably beyond the control of Lessee, or a hidden condition, including without limitation environmental contamination, relating to the foundation, substructure or subsurface of the Premises which was not known to Lessee as of the commencement of such construction activity ("Force Majeure") shall extend the Required Construction Completion Date by the length of time of such delay, although Lessee shall to the extent possible commence and complete the portions, if any, of the Improvements not impacted by such delay within the timeframe set forth in this Lease. For purposes of this Section 5.6, "Force Majeure" shall also include delays in the completion of construction caused (i) by a third party restraining order or injunction (filed by a plaintiff other than County or the California Coastal Commission) obtained after the commencement of construction, subject to Lessee's obligation to diligently pursue the removal

or appeal of any such restraining order or injunction, or (ii) by Unreasonable County Activity after the commencement of construction, subject to the procedures set forth in subsection 5.7.2 below for establishing Unreasonable County Activity. Lessee and Director shall discuss and attempt to agree on the length of time of any entitled delay due to Force Majeure pursuant to this Section 5.6. If they are unable to agree within thirty (30) days after the event or occurrence giving rise to Lessee's claim to an entitlement to a delay under this Section 5.6, the matter shall be arbitrated as set forth in Article 16.

5.7 Extension of Dates. Other than as set forth in Section 5.6 above, the Required Construction Commencement Date and Required Construction Completion Date shall be extended only for the reasons set forth in this Section.

5.7.1 Injunction by Third Party, Nonregulatory Body. The Required Construction Commencement Date shall be extended if the commencement of construction of the Redevelopment Work has been enjoined or restrained by a court action commenced by a plaintiff other than County or the California Coastal Commission acting in their governmental capacity. In such case, the Required Construction Commencement Date shall be extended until forty-five (45) days after the restraining order and/or injunction is removed; provided that in no event shall the Required Construction Commencement Date be extended beyond the second (2nd) anniversary of the Effective Date. Whether or not a named party in such action, Lessee shall diligently pursue the removal of any restraining order or injunction so issued and shall exhaust all commercially reasonable efforts to appeal such restraining order or injunction. If the Required Construction Commencement Date is extended pursuant to this subsection 5.7.1, then the Required Construction Completion Date shall be extended by the same period of the extension of the Required Construction Commencement Date.

5.7.2 Delay Caused by Unreasonable County Acts. The Required Construction Commencement Date shall be extended if Lessee has been delayed in the obtaining of any permits or other approvals necessary for the commencement of construction due to Unreasonable County Activity. For the purposes of this Lease, the following shall be deemed to be "Unreasonable County Activity": (i) County's failure to provide required joinder, if any, in Lessee's proposals for the Improvements described in the Final Redevelopment Work Plans and Specifications before any governmental agency; or (ii) County's failure to take such other actions in its proprietary capacity reasonably requested by Lessee, at no cost or expense to County, which are necessary for Lessee to proceed with the permit/approval process or County's having taken such actions without Lessee's consent which adversely affected Lessee's rights and obligations hereunder, which were unreasonable and which actually delayed the Substantial Commencement of Construction and which action or inaction occurred after the date hereof; or (iii) County's failure to comply with the time periods imposed upon County under this Article 5, except in the case where a failure of County to notify Lessee of its approval or disapproval of a matter constitutes County's deemed approval of such matter, or constitutes County's deemed disapproval of such matter and County's disapproval of such matter is authorized under the circumstances. Nothing contained in this Section or this Lease shall be construed as obliging County to support proposals, issue permits, or otherwise act in a manner inconsistent with County's actions under its regulatory powers.

It shall not be Unreasonable County Activity if County fails to accelerate the County's customary regulatory permit/approval process. An extension shall be available under this subsection only if all of the following procedures have been followed:

(a) Within a reasonable time under the circumstances, Lessee must notify Director in writing of the specific conduct comprising the alleged Unreasonable County Activity, and the next opportunity, if any, for County to rectify such alleged conduct. If Lessee fails to notify Director in writing as specified in the immediately preceding sentence within five (5) days following Lessee's discovery of the alleged Unreasonable County Activity, then notwithstanding any contrary provision of this subsection 5.7.2, in no event shall Lessee be entitled to an extension for any period of the delay occurring prior to the date of Lessee's notice described in this paragraph (a).

(b) Within seven (7) days following receipt of the notice alleging Unreasonable County Activity, Director shall meet with Lessee or its authorized representative in order to determine whether Unreasonable County Activity has occurred and, if so, how such Unreasonable County Activity can be rectified and the appropriate length of time of any extension pursuant to this subsection. If Director determines that Unreasonable County Activity has occurred and that County can and will take rectifying action, then the extension time shall equal the amount of actual delay directly caused by the Unreasonable County Activity. If Director determines that Unreasonable County Activity has occurred, but that County cannot take rectifying action (or if the proposed rectifying action will not produce the results desired by Lessee), then Lessee and Director shall establish the length of time of any extension based on the actual delay of the permit/approval process likely to be caused by the Unreasonable County Activity.

(c) If, within fourteen (14) days following receipt of notice alleging Unreasonable County Activity, Director and Lessee have not agreed in writing as to whether or not an extension is appropriate, or if appropriate, the length of any such extension, then the matter shall be referred to binding arbitration in accordance with Article 16 of this Lease. The arbitrator shall be instructed that, if Unreasonable County Activity has occurred, then the standards set forth in subsection (b) above will be applied to determine the length of any extension.

The period of any extension pursuant to this subsection shall be equal to the period of the delay caused by the Unreasonable County Activity. If the Required Construction Commencement Date is extended pursuant to this subsection 5.7.2, then the Required Construction Completion Date shall be extended by the same period of the extension of the Required Construction Commencement Date.

5.7.3 Delay in Obtaining Permits or Approvals. Except as otherwise provided in subsection 5.7.4, if as of the Required Construction Commencement Date (as it may be extended as provided above), Lessee has not obtained a permit or other approval necessary to the commencement of construction from a regulatory body or agency other than County, or such regulatory body has obtained an injunction preventing the commencement of construction, and such permits, approvals or the removal of such injunction constitute(s) the major remaining impediment to the commencement of

construction, then the Required Construction Commencement Date shall be extended to forty-five (45) days after the date upon which such permit is issued or injunction dissolved, provided that (1) Lessee has exhausted and continues to exhaust all commercially reasonable efforts to obtain such approval or permit or dissolution of such injunction, and (2) such extended Required Construction Commencement Date shall not be later than the second (2nd) anniversary of the Effective Date. If the Required Construction Commencement Date is so extended, then the Required Construction Completion Date shall be extended by the same period of the extension of the Required Construction Commencement Date. The extension provided by this subsection shall be the only extension available in a situation where such permits and/or approvals have not been issued or such regulatory body or agency has obtained such an injunction.

5.7.4 Limitation of Extensions. Notwithstanding the foregoing, Lessee shall not be entitled to any extension unless Lessee had actually been pursuing the process of obtaining all permits, approvals, financing and other items necessary for the Substantial Commencement of Construction with due diligence, and unless all Improvements specified and plans and specifications submitted by Lessee in connection with any such permit, approval, financing or other item substantially conformed to (i) the Final Redevelopment Work Plans and Specifications, and (ii) the land use laws and regulations and the Local Coastal Plan (except for any required density transfer between Development Zones) existing as of the date of execution of this Lease by Lessee.

5.7.5 Obligation to Pay Rent. Notwithstanding anything to the contrary contained in this Lease, no extension, relaxation or modification of the requirement to Substantially Commence construction of the Redevelopment Work by the Required Construction Commencement Date and complete such Improvements by the Required Construction Completion Date, shall relieve Lessee of its obligation to pay County the Annual Minimum Rent, Percentage Rent and other amounts set forth in Article 4 of this Lease.

5.8 Manner of Construction.

5.8.1 General Construction Standards. All construction, alteration, modification or repairs permitted herein shall be accomplished by Lessee with due diligence. Lessee shall take all reasonable steps to minimize any damage, disruption or inconvenience caused by such work and make adequate provisions for the safety and convenience of all persons affected thereby. Lessee shall repair, at its own cost and expense, any and all damage caused by such work, and shall restore the area upon which such work is performed to a condition which is at least equal to or better than the condition which existed before such work was commenced. Additionally, Lessee shall pay or cause to be paid all costs and expenses associated therewith and shall indemnify, defend and hold County harmless from and against all damages, costs, expenses, losses or claims arising out of or in connection with the performance of such work, except to the extent that such damages, costs, expenses, losses or claims are caused by County. Dust, noise and other effects of such work shall be controlled using accepted measures customarily utilized in order to control such deleterious effects associated with construction projects in well populated and developed areas of southern California.

5.8.2 Utility Work. Any work performed by or on behalf of Lessee or any occupant of the Premises to connect to, repair, relocate, maintain or install any storm drain, sanitary sewer, water line, gas line, telephone conduit, or any other utility service shall be performed in a manner that minimizes interference with the provision of such services to the Premises and other persons.

5.8.3 Construction Safeguards. Lessee shall erect and properly maintain at all times, as required by the conditions and the progress of work performed by or on behalf of Lessee, all necessary safeguards for the protection of workers and the public.

5.8.4 Compliance with Construction Documents and Laws; Issuance of Permits. All Improvements on the Premises shall be completed in substantial compliance with any construction documents approved by County and also in compliance with all applicable local, state and federal laws and regulations. Lessee shall have the sole responsibility for obtaining all necessary permits and shall make application for such permits directly to the person or governmental agency having jurisdiction thereover.

5.8.5 Notice to Director; Damage to County Improvements. Lessee further agrees to keep Director apprised of the progress of the work to the end that Director may, upon at least one (1) Business Day advance notice, timely inspect the Premises to assure proper safeguarding of any County-owned improvements existing on or around the Premises or the Public Docks, including but not limited to seawalls, underground conduits and utility lines. If any such County-owned improvement is damaged as a result of construction activity by Lessee or its contractors, Lessee agrees to repair such damage immediately at no cost or expense to County. Lessee shall add the work necessary to repair such damage to the construction schedule for the Redevelopment Work (or other Alteration work, as applicable), and shall complete such repair work in accordance with such schedule; provided that if such damage to County-owned improvements creates a threat to public health and safety or materially adversely affects the condition, appearance or operation of any County-owned improvement or of any other property, then Lessee shall promptly commence the completion of such repair work and complete such repair work as soon as reasonably possible thereafter. In the event that Lessee fails to effectuate such repair in accordance with the foregoing requirements, County may upon written notice to Lessee enter upon the Premises to make such repairs, the Actual Cost of which shall be paid by Lessee within five (5) business days after demand by County. This subsection 5.8.5 shall not be deemed to impose upon Lessee any obligation to repair damage to County-owned improvements existing on or around the Premises if such damage was not incurred as a result of Lessee's construction activities.

5.8.6 Rights of Access. Representatives of the Department of Beaches and Harbors of the County shall, upon reasonable notice and at reasonable times during normal business hours, have the right of reasonable access to the Premises and the Improvements thereon without charges or fees, but at no cost or expense to Lessee, for the purpose of ascertaining compliance with the terms and conditions of this Lease, including but not limited to the inspection of the construction work being performed. Such access shall be reasonably calculated to minimize interference with Lessee's construction and/or operations, and County shall comply with industry safety standards in

connection with any such access. Lessee shall have the right to have a representative present to accompany the representatives of the Department of Beaches and Harbors of the County in connection with such access. In the event of any emergency which is life-threatening or which involves the threat of potential substantial damage, County shall have the right to enter the Premises immediately and without notice to or accompaniment by Lessee.

5.8.7 Notice of Completion. Upon completion of the Redevelopment Work or any Alterations (including the Subsequent Renovation described in Section 5.13), Lessee shall file or cause to be filed in the Official Records of the County of Los Angeles a Notice of Completion (the "Notice of Completion") with respect to the Improvements and Lessee shall deliver to County, at no cost to County, two (2) sets of reproducible final as-built plans and specifications of the relevant Improvements.

5.8.8 Final Completion Certificate. Promptly after completion of the Redevelopment Work, the Anchorage Facilities replacement work described in Section 5.2 or the Subsequent Renovations described in Section 5.13, upon Lessee's request, County shall execute and deliver to Lessee a final completion certificate (the "Final Completion Certificate") as to the work which is the subject thereof, which shall conclusively evidence the completion of such work by Lessee in accordance with the terms of this Lease.

5.9 Use of Plans. Contracts between Lessee and any architect, design professional or licensed contractor in connection with the construction, alteration or modification of Improvements on the Premises shall provide, in form and content reasonably satisfactory to County, for the assignment thereof to County (and Lessee's Encumbrance Holder(s) if required by Lessee's Encumbrance Holder(s)) as security to County for Lessee's performance hereunder, and County shall be furnished with a copy of any such contract, together with the further agreement of the parties thereto, that if this Lease is terminated by County due to Lessee's default, County (or if County enters into a new lease with Lessee's Encumbrance Holder pursuant to Article 12, then Lessee's Encumbrance Holder) may, at its election, use any plans and specifications created by such architect, design professional or contractor in connection with the contract, upon the payment of any sums due to any party thereto. County's right to elect to use plans and specifications as described above shall not include the unauthorized right to use any trade marks, trade names or logos of Lessee or any such architect, design professional or contractor. The assignment to County and Lessee's Encumbrance Holder(s) described in this Section 5.9 shall be effective until the Final Completion Certificate for the subject work is issued, and shall be subordinate to the security interest, if any, of Lessee's construction lender in the assigned contract, which subordination shall be in a form reasonably acceptable to Lessee's construction lender.

5.10 Where Director Approval Not Required. Notwithstanding the foregoing, and notwithstanding anything to the contrary in this Article 5, Lessee shall not be required to seek or obtain the approvals of Director described in this Article 5 (including those set forth in Section 5.3) for Alterations where all of the following conditions are satisfied: (i) the total cost of the project is less than One Hundred Thousand Dollars (\$100,000), adjusted annually to reflect the increase or decrease in the ENR Index from and after the Effective Date (provided, however, that

in no event shall such adjustment result in a reduction of the threshold for Director approval to less than One Hundred Thousand Dollars (\$100,000); (ii) none of the proposed construction activity is structural in nature; and, (iii) none of the proposed construction, additions, modifications or changes affect or are visible from the exterior of the Premises; provided, however, that whenever Lessee makes or constructs or permits any improvements in or to the Premises, Lessee shall (a) give written notice thereof (including a description of the work to be done and the permits obtained for such work), and (b) furnish a copy of "as-built" plans upon completion of such work to County.

5.11 County's Inducement. Lessee acknowledges that the principal inducement to County to enter into this Amended and Restated Lease Agreement and to extend the Term as provided herein is the timely improvement of the Premises by Lessee with the Redevelopment Work described in Section 5.1 above and the timely performance by Lessee of the future Anchorage Facilities replacement work described in Section 5.2 above. Accordingly, Lessee expressly acknowledges that any failure by Lessee to perform its obligations under such Sections 5.1 or 5.2 in all material respects by the dates set forth herein (as such dates may be extended pursuant to Section 5.6 or 5.7) shall constitute a material breach of and default under the Lease by Lessee which entitles County to exercise any and all rights and remedies which County may have as a result thereof, under this Lease, at law and/or in equity.

5.12 Protection of County. Nothing in this Lease shall be construed as constituting the consent of County, express or implied, to the performance of any labor or the furnishing of any materials or any specific Improvements, alterations or repairs to the Premises of any part thereof by any contractor, subcontractor, laborer or materialman, nor as giving Lessee or any other person any right, power or authority to act as agent of or to contract for, or permit the rendering of, any services, or the furnishing of any materials, in any such manner as would give rise to the filing of mechanics' liens or other claims against the County's interest in the Premises or County.

5.12.1 Posting Notices. County shall have the right at all reasonable times and places to post and, as appropriate, keep posted, on the Premises any notices which County may deem necessary for the protection of County's interest in the Premises from mechanics' liens or other claims. Lessee shall give County at least ten (10) business days prior written notice of the commencement of any work to be done on the Premises under this Article 5, in order to enable County timely to post such notices.

5.12.2 Prompt Payment. Lessee shall make, or cause to be made, prompt payment of all monies due and owing to all persons doing any work or furnishing any materials or supplies to Lessee or any of its contractors or subcontractors in connection with the Redevelopment Work, the Premises or the Improvements thereon. Lessee shall have the right to contest any such amount; provided, however, the entire expense of any such contest (including interest and penalties which may accrue) shall be the responsibility of Lessee.

5.12.3 Liens; Indemnity. Subject to Lessee's rights to contest the same prior to payment, Lessee shall keep the Public Docks Parcel and the Premises and any Improvements thereon free and clear of all mechanics' liens and other liens arising out of or in connection with work done for Lessee and/or any parties claiming through Lessee.

Lessee agrees to and shall indemnify, defend and hold County harmless from and against any claim, liability, loss, damages, costs, expenses, attorneys' fees incurred in defending and all other expenses on account of claims of lien(s) of laborers or materialmen or others for work performed or materials or supplies furnished to Lessee or persons claiming under it.

In the event any lien is recorded, Lessee shall, within five (5) business days after demand, furnish any one of the following, as determined by Lessee: (i) the bond described in California Civil Code Section 3143, or successor statute, which results in the removal of such lien from the Premises, (ii) a Set Aside Letter from Lessee's construction lender, in form and substance reasonably satisfactory to County, setting aside sufficient funds from Lessee's construction loan for the satisfaction of such lien, or (iii) a title insurance policy or endorsement insuring County against any loss or liability arising out of such lien, together with any other evidence requested by County to evidence that such claim will be paid, removed or discharged as a claim against the Premises and/or County.

5.13 Renovation Fund/Subsequent Renovations. During the period from the eleventh (11th) Lease Year following the Effective Date through the fortieth (40th) Lease Year following the Effective Date, Lessee shall establish and maintain a reserve fund (the "Renovation Fund") in accordance with the provisions of this Section 5.13 for the cost of capital renovations to the Improvements as described in this Section 5.13. Lessee and County agree and acknowledge that the purpose of the Renovation Fund shall be to provide funds for a renovation of the common areas and exterior of the Improvements (not including the Anchorage Facilities) on two separate occasions, once during the period from the nineteenth (19th) through twenty-second (22nd) Lease Years following the Effective Date and again during the period from the thirty-ninth (39th) through forty-second (42nd) Lease Years following the Effective Date (each, a "Subsequent Renovation"). Each of the Subsequent Renovations shall proceed in accordance with (i) a schedule that provides for the completion of the Subsequent Renovation prior to the completion of the twenty-second (22nd) or forty-second (42nd) Lease Year following the Effective Date, as applicable, and (ii) a renovation plan approved by the Director that provides for the revitalization and upgrade of the common areas and exterior of the Improvements (excluding the Anchorage Facilities) to a condition and appearance at least equal to that of other first class residential apartment projects then recently constructed or being constructed in Marina del Rey.

Prior to the commencement of the construction work for a Subsequent Renovation, Lessee shall submit to Director a renovation plan for such Subsequent Renovation, which renovation plan ("Subsequent Renovation Plan") shall (a) describe the proposed renovation work in detail reasonably acceptable to Director, (b) include a design, governmental approvals and construction schedule for the work, (c) include a budget for all work costs, and (d) address such other matters as Director reasonably requests. The Subsequent Renovation Plan shall be submitted by Lessee to County not later than such date (taking into consideration the approval periods described in this Section 5.13 and Section 5.3 above, the estimated time required to obtain all necessary governmental approval and permits, and the estimated time required to complete the work) as will permit the completion of the work by the required completion date under this Section 5.13. Director shall have sixty (60) days within which to reasonably approve or disapprove the Subsequent Renovation Plan, or to approve the Subsequent Renovation Plan subject to conditions imposed by Director in its reasonable judgment. Failure of Director to

notify Lessee in writing of its approval or disapproval of the Subsequent Renovation Plan shall be deemed Director's disapproval of the Subsequent Renovation Plan. Upon Director's approval of the Subsequent Renovation Plan, Lessee shall proceed to satisfy all conditions in this Article 5 to the commencement of the Subsequent Renovation and to commence and complete the Subsequent Renovation in accordance with the Subsequent Renovation Plan and the terms and conditions of this Article 5. Director's approval of the actual plans and specifications for the Subsequent Renovations shall proceed in accordance with the protocol for plan submission and approval set forth in Section 5.3 of this Lease, except that the schematic plan submittal requirements set forth in subsection 5.3.1 shall not be applicable to the extent that the Subsequent Renovation Plan approved by Director satisfies the requirements of such subsection 5.3.1. Lessee's failure to comply with the schedule approved by Director as part of a Subsequent Renovation Plan and/or to meet the completion deadline pertaining to the Subsequent Renovation set forth in this Section 5.13 shall, if not cured within the cure period set forth in subsection 13.1.2, constitute an Event of Default. Any dispute as to whether Director has failed to exercise reasonable judgment in the approval or disapproval of the Subsequent Renovation Plan shall be submitted to arbitration pursuant to Article 16 of this Lease. If the arbitrator determines that Director failed to exercise reasonable judgment in the approval or disapproval of the Subsequent Renovation Plan and as a result thereof Lessee is delayed in the completion of the Subsequent Renovation by the required completion date set forth in the first paragraph of this Section 5.13, then the required date for the completion of such Subsequent Renovation shall be extended by the duration of the delay caused by Director's failure to reasonably approve the Subsequent Renovation Plan, provided that the required date for the completion of the Subsequent Renovation shall not be extended beyond the date reasonably required Lessee for the completion by Lessee of the Subsequent Renovation.

The Renovation Fund shall be an account established with a reputable financial institution (including Lessee's Encumbrance Holder) acceptable to Director into which deposits shall be made by Lessee (and/or into which Lessee's Encumbrance Holder shall provide funds) pursuant to this Section 5.13. The amounts to be added to the Renovation Fund shall be inclusive of amounts required to be deposited with and held by an Encumbrance Holder, provided that the Encumbrance Holder acknowledges that such amounts are subject to the requirements and shall be made available for the purposes of this Section 5.13. On or before the fifteenth (15th) day of each calendar month commencing with the month of February during the eleventh (11th) Lease Year following the Effective Date and continuing through the month of January of the forty-first (41st) Lease Year following the Effective Date, Lessee shall make a deposit to the Renovation Fund on a monthly basis in the amount of one percent (1%) of Gross Receipts received during the preceding month, excluding Gross Receipts from the Anchorage Facilities described in subsection 4.2.2(a) of this Lease. All interest and earnings on the Renovation Fund shall be added to the Renovation Fund, but shall not be treated as a credit against, or otherwise reduce, the deposits required to be made by Lessee to the Renovation Fund. Disbursements shall be made from the Renovation Fund only for costs which have been approved by Director and which satisfy the requirements of this Section 5.13. Prior to the disbursement of any amounts from the Renovation Fund, Lessee shall furnish to Director applicable invoices, evidence of payment and other back-up materials reasonably acceptable to Director concerning the use of amounts from the Renovation Fund. Director shall have no obligation to approve the disbursement of amounts from the Renovation Fund unless and until Director has approved Lessee's Subsequent Renovation Plan for such Subsequent Renovation

and Lessee has furnished to Director evidence reasonably satisfactory to Director that Lessee has sufficient financial resources to pay for all costs of such Subsequent Renovation. All remaining amounts in the Renovation Fund shall be used for the costs of the Subsequent Renovation Plan to be implemented by Lessee by the end of the forty-second (42nd) Lease Year following the Effective Date, and Lessee shall not be required to make further contributions to the Renovation Fund after the month of January of the forty-first (41st) Lease Year following the Effective Date.

In lieu of the periodic Renovation Fund contributions described in this Section 5.13, Lessee agrees that Director shall have the authority, in the exercise of the Director's discretion, to consider the delivery by Lessee of substitute security acceptable to Director (e.g., a letter of credit or bonding mechanism) to secure the performance by Lessee of the Subsequent Renovations described above in this Section 5.13. Such substitute security shall be in not less than the same amounts and delivered not later than the same times, as amounts that would have otherwise been required to be delivered into the Renovation Fund.

5.14 Capital Reserve Fund. In addition to the Renovation Fund described in Section 5.13 above, during the period commencing with the eleventh (11th) Lease Year after the Effective Date and continuing through the end of the Term, Lessee shall establish and maintain a reserve fund (the "Capital Reserve Fund") in accordance with the provisions of this Section 5.14 for the cost of Permitted Capital Expenditures (as defined below) for the Premises. Lessee and County agree and acknowledge that the purpose of the Capital Reserve Fund shall be to provide funds for the costs of additions, replacements, renovations or significant upgrades of or to the Improvements on the Premises, including building exteriors and major building systems (such as HVAC, mechanical, electrical, plumbing, vertical transportation, security, communications, structural or roof) that significantly increase the capacity, efficiency, useful life or economy of operation of the Improvements or their major systems, after the completion of the Redevelopment Work ("Permitted Capital Expenditures"). Notwithstanding any contrary provision hereof, the Capital Reserve Fund shall not be used to fund any portion of the cost of work pertaining to the Anchorage Facilities, nor for any portion of the cost of the Subsequent Renovations described in Section 5.13 above. In addition, Permitted Capital Expenditures shall not include the cost of periodic, recurring or ordinary expenditures, repairs or replacements that keep the Improvements in a good, operating condition, nor for any necessary repairs, replacements or renovations of the Anchorage Facilities (including any landside lockers, restrooms or shower facilities to which the anchorage users are provided access), all of which costs shall be separately funded by Lessee. By way of example, set forth on Exhibit G attached to this Lease are categories of Permitted Capital Expenditures that qualify as proper costs to be funded from the Capital Reserve Fund. All purposes and costs for which Lessee desires to utilize amounts from the Capital Reserve Fund shall be subject to Director's approval, which approval shall not be unreasonably withheld.

The Capital Reserve Fund shall be an account established with a reputable financial institution (including Lessee's Encumbrance Holder) acceptable to Director into which deposits shall be made by Lessee (and/or into which Lessee's Encumbrance Holder shall provide funds) pursuant to this Section 5.14. The amounts to be added to the Capital Reserve Fund shall be inclusive of amounts required to be deposited with and held by an Encumbrance Holder, provided that the Encumbrance Holder acknowledges that such amounts are subject to the requirements and shall be made available for the purposes of this Section 5.14.

On or before the fifteenth (15th) day of each calendar month during the Term commencing with the month of February in the eleventh (11th) Lease Year following the Effective Date and continuing during the remainder of the Term, Lessee shall make a deposit to the Capital Reserve Fund on a monthly basis in the amount of one percent (1%) of Gross Receipts received during the preceding month, excluding Gross Receipts from the Anchorage Facilities described in subsection 4.2.2(a) of this Lease. All interest and earnings on the Capital Reserve Fund shall be added to the Capital Reserve Fund, but shall not be treated as a credit against the Capital Reserve Fund deposits required to be made by Lessee pursuant to this Section 5.14. Disbursements shall be made from the Capital Reserve Fund only for costs which have been approved by Director and which satisfy the requirements of this Section 5.14. For the purpose of obtaining Director's prior approval of any Capital Reserve Fund disbursements, Lessee shall submit to Director on an annual basis on or before the commencement of the eleventh (11th) Lease Year after the Effective Date and each anniversary thereafter a capital expenditure plan for the upcoming year which details the amount and purpose of anticipated Capital Reserve Fund expenditures for which Lessee requests Director's approval, which approval shall not be unreasonably withheld. Any anticipated expenditure set forth in such capital expenditure plan which is approved by Director as an acceptable Capital Reserve Fund disbursement shall be considered pre-approved by Director (but only up to the amount of such expenditure set forth in the annual capital expenditure plan) for the duration of the upcoming year. Lessee shall have the right during the course of each year to submit to Director for Director's approval revisions to the then current capital expenditure plan in effect for such year or individual expenditures not noted on the previously submitted capital expenditure plan. Prior to the disbursement of any amounts from the Capital Reserve Fund, Lessee shall furnish to Director applicable invoices, evidence of payment and other back-up materials reasonably acceptable to Director concerning the use of amounts from the Capital Reserve Fund. As long as Lessee is not then in default under the Lease, including without limitation, its obligations under this Section 5.14, if, and at such time during the last ten (10) years of the Term as, County notifies Lessee that County shall require the removal of Improvements at the end of the Term pursuant to subsection 2.5.2, Lessee shall have the right to use all remaining amounts in the Capital Reserve Fund for Improvement removal fund purposes under such subsection 2.5.2.

6. CONDEMNATION.

6.1 Definitions.

6.1.1 Condemnation. "Condemnation" means (1) the exercise by any governmental entity of the power of eminent domain, whether by legal proceedings or otherwise, and (2) a voluntary sale or transfer to any Condemnor (as hereafter defined), either under threat of Condemnation or while legal proceedings for Condemnation are pending.

6.1.2 Date of Taking. "Date of Taking" means the date the Condemnor has the right to possession of the Premises being condemned.

6.1.3 Award. "Award" means all compensation, sums or anything of value awarded, paid or received from a total or partial Condemnation.

6.1.4 Condemnor. "Condemnor" means any public or quasi-public authority, or private corporation or individual, having the power of eminent domain.

6.2 Parties' Rights and Obligations to be Governed by Lease. If, during the Term of this Lease, there is any taking of all or any part of the Premises, any Improvements on the Premises or any interest in this Lease by Condemnation, the rights and obligations of the parties shall be determined pursuant to the provisions of this Article 6.

6.3 Total Taking. If the Premises are totally taken by Condemnation, this Lease shall terminate on the Date of Taking.

6.4 Effect of Partial Taking. If a portion of the Premises or the Improvements thereon are taken by Condemnation, this Lease shall remain in effect, except that Lessee may elect to terminate this Lease if the remaining portion of the Premises are rendered unsuitable (as defined herein) for Lessee's continued use for the purposes contemplated by this Lease. The remaining portion of the Premises shall be deemed unsuitable for Lessee's continued use if, following a reasonable amount of reconstruction (to the extent that funds therefor are available from the anticipated Award), Lessee's business on the Premises could not be operated at an economically feasible level. Lessee must exercise its right to terminate by giving County written notice of its election within ninety (90) days after the nature and extent of the taking and the probable amount of compensation have been determined. Such notice shall also specify the date of termination, which shall not be prior to the Date of Taking. Failure to properly exercise the election provided for in this Section 6.4 will result in this Lease's continuing in full force and effect, except that Annual Minimum Rent shall be abated pursuant to Section 6.5, below.

In the event that Lessee does not elect to terminate this Lease as provided above, then Lessee, whether or not the Awards or payments, if any, on account of such taking shall be sufficient for the purpose, shall, at its sole cost and expense, within a reasonable period of time, commence and complete restoration of the remainder of the Premises as nearly as possible to its value, condition and character immediately prior to such taking, taking into account, however, any necessary reduction in size or other change resulting from the taking; provided, however, that in case of a taking for temporary use, Lessee shall not be required to effect restoration until such taking is terminated.

6.5 Effect of Partial Taking on Rent. If any portion of the Premises is taken by Condemnation and this Lease remains in full force and effect as to the portion of the Premises not so taken (a "Partial Taking"), the Annual Minimum Rent shall be reduced as of the date of the Partial Taking to an amount equal to the Annual Minimum Rent multiplied by the ratio of the fair market value of the portion of the Premises not so taken to the fair market value of the entire Premises immediately prior to the Partial Taking, but without regard to any diminution in value resulting from the imminent taking. Upon the next Annual Minimum Rent Adjustment Date, as described in Section 4.2.3 above, if any, for the purposes of adjusting the Annual Minimum Rent, all Annual Minimum Rent and Percentage Rent paid by Lessee to County prior to the date of the Partial Taking shall be adjusted, for the purposes of this calculation only, to the proportion that the fair market value of the portion of the Premises which remains after the taking bears to the fair market value of the entire Premises immediately prior to the taking. If the parties cannot agree upon the appropriate Annual Minimum Rent, the matter shall be settled through arbitration

in the manner set forth in Article 16 hereof. Any determinations of fair market value made pursuant to this Section 6.5 in connection with any arbitration proceeding shall be predicated upon the "income approach" or "income capitalization approach" to property valuation, as defined in The Dictionary of Real Estate Appraisal and/or The Appraisal of Real Estate, published by the Appraisal Institute or any successor organization (the "Income Approach"). All other obligations of Lessee under this Lease, including but not limited to the obligation to pay Percentage Rent, shall remain in full force and effect.

6.6 Waiver of Code of Civil Procedure Section 1265.130. Each party waives the provisions of Code of Civil Procedure Section 1265.130 allowing either party to petition the Superior Court to terminate this Lease in the event of a Partial Taking of the Premises.

6.7 Payment of Award. Awards and other payments on account of a taking, less costs, fees and expenses incurred in the collection thereof ("Net Awards and Payments"), shall be applied as follows:

6.7.1 Partial Taking Without Termination. Net Awards and Payments received on account of a Taking other than a total Taking or a Partial Taking which results in termination hereof or a taking for temporary use shall be held by County and shall be paid out to Lessee or Lessee's designee(s), in progress payments, to pay the cost of restoration of the Premises. The balance, if any, shall be divided between County and Lessee pro rata, as nearly as practicable, based upon (1) the then value of County's interest in the Premises (including its interest hereunder) and (2) the then value of Lessee's interest in the remainder of the Term of this Lease including bonus value (for such purposes, the Term of this Lease shall not be deemed to have terminated even if Lessee so elects under Section 6.4). Any determinations of fair market value made pursuant to this Section 6.5 shall be predicated upon the Income Approach. Notwithstanding the foregoing, if County is the condemning authority and the taking pertains only to Lessee's interest, then Lessee shall be entitled to the entire amount of the Net Awards and Payments.

In case of a taking other than a total taking or a taking for temporary use, Lessee shall furnish to County evidence satisfactory to County of the total cost of the restoration required by Section 6.4.

6.7.2 Taking For Temporary Use. Net Awards and Payments received on account of a taking for temporary use shall be paid to Lessee; provided, however, that if any portion of any such award or payment is paid by the Condemnor by reason of any damage to or destruction of the Improvements, such portion shall be held and applied as provided in the first sentence of Section 6.7.1, above.

6.7.3 Total Taking and Partial Taking with Termination. Net Awards and Payments received on account of a total taking or a Partial Taking which results in the termination of this Lease shall be allocated in the following order:

First: There shall be paid to County an amount equal to the greater of (a) the sum of (1) the present value of all Annual Minimum Rent, Percentage Rent and other

sums which would become due through the expiration of the Term if it were not for the taking less, in the event of a Partial Taking, an amount equal to the present value of the fair rental value of the portion of the Premises (with the Improvements thereon) not subject to the Partial Taking, from the date of the Partial Taking through the expiration of the Term and (2) the present value of the portion of the Premises (with the Improvements thereon) subject to the taking from and after the expiration of the Term or (b) in the event of a Partial Taking, the present value of the fair market rental value of the portion of the Premises (with the Improvements thereon) subject to the Partial Taking, from and after the expiration of the Term.

Second: There shall be paid to any Encumbrance Holder an amount equal to the sum of any unpaid principal amount of any Encumbrance secured by the Premises plus costs, expenses, and other sums due pursuant the loan documents, if any, and any interest accrued thereon, all as of the date on which such payment is made; and then

Third: There shall be paid to Lessee an amount equal to the value of Lessee's interest in the remainder of the Term of this Lease, including the value of the ownership interest in and use of the Improvements constructed on the Premises, determined as of the date of such taking, less payments made under paragraph Second above. For such purposes, the Term of this Lease shall not be deemed to have terminated even if Lessee so elects under Section 6.4.

Fourth: The balance shall be paid to County.

If County is the condemning authority in connection with a total taking or a partial taking that results in the termination of the Lease, and the taking pertains to only Lessee's interest, then Lessee shall be entitled to the entire amount of any Net Awards and Payments.

6.7.4 Disputes. Any dispute under Article 6 concerning the fair market value of the Premises or any portion thereof, computation of present value or the determination of the amount of Annual Minimum Rent or Percentage Rent or other sums which would have become due over the Term of this Lease which are not resolved by the parties, shall be submitted to arbitration pursuant to Article 16 of this Lease. Such valuations, computations and determinations of value shall be made utilizing the Income Approach.

7. SECURITY DEPOSIT.

7.1 Amount and Use. On or prior to the Effective Date, Lessee shall deliver to County a security deposit (the "Security Deposit") in the amount of one-fourth (1/4) of the total Annual Rent that was payable by Lessee for the year immediately preceding the Effective Date. County shall apply the current balance of any security deposit under the Existing Lease as a credit against the Security Deposit required to be delivered by Lessee under this Section 7.1. Effective as of the fifth (5th) anniversary of the Effective Date and each and every subsequent fifth (5th) anniversary thereafter during the remainder of the Term, the Security Deposit maintained by Lessee with County shall be adjusted to a sum equal to one-fourth (1/4) of the

total Annual Rent which was payable by Lessee for the immediately preceding calendar year; provided, however, in no event shall the Security Deposit ever be reduced below the amount of the Security Deposit required to be in effect prior to such adjustment. The Security Deposit shall secure Lessee's obligations pursuant to this Lease, and may be drawn on by County, in whole or in part, to cover (a) delinquent rent not paid by Lessee within any applicable notice and cure period, and (b) any other Events of Default of Lessee under this Lease. The Security Deposit shall be applied at the discretion of County. Lessee shall have the right to maintain the Security Deposit in form of cash or in lieu or replacement of the cash Security Deposit requirement described above, in the form of a certificate of deposit, letter of credit or other approved investment instrument acceptable to County with respect to form, content and issuer. As long as no Event of Default by Lessee exists under the Lease, Lessee shall be entitled to any interest or other earnings which are actually earned on any unapplied portions of the Security Deposit delivered to County in the form of a certificate of deposit or other approved investment instrument (as opposed to cash, on which Lessee shall not be entitled to interest). Provided that no Event of Default then exists under the Lease, at the end of each Lease Year Lessee shall be entitled to a credit for all unexpended interest accruing to Lessee's benefit with respect to the Security Deposit during such Lease Year pursuant to the immediately preceding sentence. Notwithstanding any contrary provision hereof, County shall have the right at any time to apply any accrued but uncredited interest (which accrued during non-Event of Default periods) against delinquent rents and other amounts owed by Lessee under the Lease.

7.2 Replacement. In the event that some or all of the Security Deposit is drawn against by County and applied against any delinquent rent not paid by Lessee within any applicable notice or cure period, or against other Events of Default of Lessee hereunder, Lessee shall, within ten (10) days after receipt of written notice of the amount so applied and the reasons for such application, deposit sufficient additional funds with County, or cause the issuer of the Letter of Credit to reinstate the letter of credit to its full face amount, so that at all times that this Lease is in effect (other than between the date of the application of funds by County and the expiration of said ten (10) day period), the full amount of the Security Deposit shall be available to County. Failure to maintain and replenish the Security Deposit, if not cured within the time period set forth in subsection 13.1.3, shall constitute an Event of Default hereunder.

7.3 Renewal. Any letter of credit procured by Lessee and delivered to County shall provide for notice to County by the issuer thereof no less than sixty (60) days prior to the expiration of the term of such letter of credit in the event that the issuer thereof is not irrevocably committed to renew the term of such letter of credit. In the event that, thirty (30) days prior to the expiration of such letter of credit, Lessee has not provided County with satisfactory evidence of its renewal or replacement, or has not provided County with adequate replacement security, County may draw down upon the letter of credit and hold the funds as security for Lessee's obligations as set forth in this Lease and may apply the funds to cover delinquent rent not paid by Lessee within any applicable notice and cure period and/or any other Event of Default of Lessee under this Lease.

8. INDEMNITY.

Except to the extent caused by the gross negligence or willful misconduct of any such indemnitee, Lessee shall at all times relieve, defend, indemnify, protect, and save harmless

County and its respective Boards, officers, agents, consultants, counsel, employees and volunteers from any and all claims, costs, losses, expenses or liability, including expenses and reasonable attorneys' fees incurred in defending against the same by an attorney selected by Lessee and reasonably satisfactory to County, for the death of or injury to persons or damage to property, including property owned or controlled by or in the possession of County or any of its Board, officers, agents, employees or volunteers, to the extent that such arises from or is caused by (a) the operation, maintenance, use, or occupation of the Premises (other than the Promenade and the Seawall) by Lessee or its agents, officers, employees, licensees, concessionaires, permittees or Sublessees, (b) the acts, omissions, or negligence of Lessee, its agents, officers, employees, licensees, concessionaires, permittees or Sublessees, (c) the failure of Lessee, its agents, officers, employees, licensees, concessionaires, permittees or Sublessees to observe and abide by any of the terms or conditions of this Lease or any applicable law, ordinance, rule, or regulation, or (d) the construction work performed by or on behalf of Lessee with respect to the Public Docks. The obligation of Lessee to so relieve, indemnify, protect, and save harmless County and each of its respective Boards, officers, agents, consultants, counsel, employees and volunteers, shall continue during any periods of occupancy or of holding over by Lessee, its agents, officers, employees, licensees, concessionaires, permittees or Sublessees, beyond the expiration of the Term or other termination of this Lease. Notwithstanding anything in this Lease to the contrary, Lessee and County acknowledge that their respective liability, if any, arising out of the operation, maintenance, use and/or occupation of the Promenade shall be governed by Applicable Law.

9. INSURANCE.

9.1 Lessee's Insurance. Without limiting Lessee's indemnification of County, during the Term of this Lease Lessee shall provide and maintain the following insurance issued by companies authorized to transact business in the State of California by the Insurance Commissioner and having a "general policyholders rating" of at least A-VII (or such higher rating as may be required by an Encumbrance Holder) as set forth in the most current issue of "A.M. Best's Key Rating Guide" or an equivalent rating from another industry-accepted rating agency.

9.1.1 General Liability insurance (written on ISO policy form CG 00 01 or its equivalent) and endorsed to name County as an additional insured, with limits of not less than the following:

General Aggregate:	\$20,000,000
Products/Completed Operations Aggregate:	\$20,000,000
Personal and Advertising Injury:	\$10,000,000
Each Occurrence:	\$10,000,000

Lessee may satisfy the above coverage limits with a combination of primary coverage ("Primary Coverage") and excess liability coverage ("Umbrella Coverage") (as long as (a) Lessee's Primary Coverage is at least One Million Dollars (\$1,000,000) per occurrence, One Million Dollars (\$1,000,000) annual aggregate, and (b) the combination

of such Primary Coverage and Umbrella Coverage provides County with the same protection as if Lessee had carried primary coverage for the entire limits and coverages required under this Section 9.1.1.

9.1.2 Automobile Liability insurance (written on ISO form CA 00 01 or its equivalent) with a limit of liability of not less than One Million Dollars (\$1,000,000) of Primary Coverage and One Million Dollars (\$1,000,000) of Umbrella Coverage, for each accident and providing coverage for all "owned", "hired" and "non-owned" vehicles, or coverage for "any auto." During any period of operation of valet parking facilities, Lessee also shall provide Garagekeeper's Legal Liability coverage, (written on ISO form CA 99 37 or its equivalent) with limits of not less than Three Million Dollars (\$3,000,000) for this location.

9.1.3 Workers Compensation and Employers' Liability insurance providing workers compensation benefits, as required by the Labor Code of the State of California and for which Lessee is responsible, and including Employers' Liability coverage with limits of not less than the following:

Each Accident:	\$1,000,000
Disease - policy limit:	\$1,000,000
Disease - each employee:	\$1,000,000

9.1.4 Commercial Property insurance covering damage to the Premises, including improvements and betterments, from perils covered by the Causes-of-Loss Special Form (ISO form CP 10 30), excluding earthquake, and including Ordinance or Law Coverage, written for the full replacement value of the Improvements, with a deductible no greater than \$250,000 or 5% of the property value, which ever is less, and also including business interruption, including loss of rent equal to eighteen (18) months of rent, with proceeds payable to Lessee and County as their interests may appear and utilized for repair and restoration of the Premises and Improvements. Notwithstanding the foregoing, during any period during which no Improvements exist on the Premises or all of the existing Improvements are being demolished in connection with the construction of Redevelopment Work, the obligation to provide insurance under this subsection 9.1.4 shall not be applicable so long as the insurance coverage described in subsection 9.1.5 below is carried.

9.1.5 For construction projects, including the Redevelopment Work, any Alterations or restoration of the Improvements on the Premises, Lessee or Lessee's contractor or subcontractors will provide the following insurance (County reserves the right to determine the coverage and coverage limit required on a project by project basis.):

9.1.5.1 Builder's Risk Course of Construction to insure against damage from perils covered by the Causes-of-Loss Special Form (ISO form CP 10 30). This insurance shall be endorsed to include ordinance or law coverage, coverage for temporary offsite storage, debris removal, pollutant cleanup and

removal, testing, preservation of property, excavation costs, landscaping, shrubs and plants and full collapse coverage during construction (without restricting collapse coverage to specified perils. This insurance shall be written on a completed-value basis and cover the entire value of the construction project, including County furnished materials and equipment, against loss or damage until completion and acceptance by Lessee.

9.1.5.2 General Liability. Such insurance shall be written on ISO policy form CG 00 01 or its equivalent with limits as reasonably required by the County for the Alterations or Redevelopment Work. The products/completed operations coverage shall continue to be maintained for the following periods: (a) in the case of the Redevelopment Work, three (3) years after the date the Redevelopment Work is completed and accepted by the Lessee, or (b) in the case of Alterations after the completion of the Redevelopment Work, such period after the date such Alterations are completed and accepted by Lessee as reasonably determined by County, but not to exceed three (3) years after such completion and acceptance.

9.1.5.3 Automobile Liability. Such coverage shall be written on ISO policy form CA 00 01 or its equivalent with a limit of liability as reasonably required by the County for the Alterations or Redevelopment Work. Such insurance shall include coverage for all "owned," "hired" and "non-owned" automobiles, or coverage for "any auto."

9.1.5.4 Professional Liability. Such insurance shall cover liability arising from any error, omission, negligent or wrongful act of the contractor and/or licensed professional (i.e. architects, engineers, surveyors, etc.). This coverage shall also provide an extended two-year reporting period commencing upon termination or cancellation of the construction project. The limits of the coverage required under this subsection 9.1.5.4 shall be (a) Three Million Dollars (\$3,000,000) with respect to the prime architect for the Redevelopment Work (or such lesser amount as required by Director for the prime architect in connection with any subsequent Alterations), and (b) One Million Dollars (\$1,000,000) with respect to each other contractor, subcontractor, architect, engineer, surveyor or other licensed professional rendering services in connection with the design or construction of the Redevelopment Work or subsequent Alterations, provided that Director shall have the discretion to reduce the coverage limits under this clause (b) if appropriate in the judgment of Director based on the nature and scope of the services being provided.

9.1.5.5 Asbestos Liability or Contractors Pollution Liability insurance, if construction requires remediation of asbestos or pollutants, and if such insurance is available. Such insurance shall cover liability for personal injury and property damage arising from the release, discharge, escape, dispersal or emission of asbestos or pollutants, whether gradual or sudden, and include coverage for the costs and expenses associated with voluntary clean-up, testing, monitoring and treatment of asbestos in compliance with governmental mandate or order. If the

asbestos or pollutant will be removed from the construction site, asbestos or pollution liability is also required under the contractor's or subcontractor's Automobile Liability Insurance. Contractor shall maintain limits as reasonably required by the County for the Alterations or Redevelopment Work.

9.1.6 If the use of the Premises or Improvements involves any manufacture, distribution or service of alcoholic beverages, Liquor Liability insurance (written on ISO policy form CG 00 33 or 34 or their equivalent) with a liability limit of not less than Five Million Dollars (\$5,000,000) per occurrence and an annual aggregate of Ten Million Dollars (\$10,000,000), which limits may be covered by a combination of Primary Coverage and Umbrella Coverage. If written on a claims made form, the coverage shall also provide an extended two-year reporting period commencing upon the termination or cancellation of the Lease.

9.2 Provisions Pertaining to Property Insurance. The insurance coverage required in Sections 9.1.4 and 9.1.5.1 shall name the County as an additional insured and any Encumbrance Holder as loss payee. Subject to Section 12.8, upon the occurrence of any loss, the proceeds of property and builder's risk insurance shall be held by County in trust for the named insureds as their interests appear, and shall be disbursed by County on a monthly basis to pay for work completed in accordance with then-prevailing industry custom and practice; provided, however, that if the insurance proceeds received with respect to a loss are less than \$500,000 (as adjusted to reflect any increase in the ENR Index during the period from the Effective Date through the date of the loss), the Encumbrance Holder shall have the right to hold and disburse such proceeds to pay the renovation and repair of Improvements in accordance with the terms of the loan agreement or deed of trust with Lessee's Encumbrance Holder. In the event of a loss, Lessee shall be obligated to rebuild or replace the destroyed or damaged buildings, structures, equipment, and Improvements, in accordance with the procedures set forth hereinabove for the initial construction, except as otherwise provided in Article 11 hereof. Subject to Section 12.8, any surplus or proceeds after said rebuilding or replacement shall be distributed to Lessee.

9.3 General Insurance Requirements. Subject to the immediately following grammatical paragraph, a duplicate policy or policies (or certificates of insurance) evidencing the insurance coverage required under this Article 9, in such form as shall be reasonably acceptable to County, shall be filed with Director no later than the Effective Date, provided that the evidence of the insurance coverage required under Section 9.1.5 shall be required to be delivered by Lessee prior to the commencement of any Alterations or Redevelopment Work. All certificates of insurance shall (a) specifically identify the Lease; (b) clearly evidence all coverages required under the Lease; (c) identify any deductibles or self-insured retentions exceeding \$25,000 or such other commercially reasonable amount as approved by the Director; and (d) evidence all other requirements under this Article 9. The policy or policies of insurance shall provide that such insurance coverage will not be canceled or reduced without at least thirty (30) days prior written notice to Director or ten (10) business days in case of cancellation for failure to pay the premium. At least ten (10) business days prior to the expiration of such policy, a certificate showing that such insurance coverage has been renewed shall be obtained by Lessee and filed with Director.

In lieu of submitting a copy of the policy or policies evidencing the above insurance, Lessee may submit in a form reasonably acceptable to County a certificate of insurance.

Any insurance coverage may be issued in the form of a blanket policy insuring other properties, in form, amount and content reasonably satisfactory to County such that such coverage provides the same protection as required under this Article 9 as if the insurance had been procured on an individual property basis.

9.4 Additional Required Provisions. Lessee's insurance policies required by this Article 9 shall be for a term of not less than one year and shall additionally provide:

- (a) that County and its respective Board of Supervisors and members thereof, and County's officers, agents, employees and volunteers, shall be named as additional insureds under any liability insurance policy or policies;
- (b) that the full amount of any losses to the extent property insurance proceeds are available shall be payable to additional insureds notwithstanding any act, omission or negligence of Lessee which might otherwise result in forfeiture of such insurance;
- (c) in any property insurance policy, a waiver of all right of subrogation against County and its respective Board of Supervisors and members thereof, and County's officers, agents, employees and volunteers with respect to losses payable under such policies;
- (d) in any property insurance policy, that such policies shall not be invalidated should the insured waive, prior to a loss, any or all right of recovery against any party for losses covered by such policies;
- (e) to the extent of the indemnification obligations of Lessee in favor of any additional insureds, the property and commercial general liability insurance policies shall provide coverage on a primary and non-contributory basis with respect to such additional insureds, regardless of any other insurance or self-insurance that such additional insureds may elect to purchase or maintain;
- (f) that losses, if any, shall be adjusted with and payable to Lessee, County and Encumbrance Holders, if any, pursuant to a standard mortgagee clause;
- (g) that such policies shall not be suspended, voided, canceled, reduced in coverage or in limits or materially changed without at least thirty (30) days prior written notice to County and all Encumbrance Holders or ten (10) business days in case of cancellation for failure to pay the premium;
- (h) that the commercial general liability insurance shall apply separately to each insured against whom a claim is made, except with respect to the overall limits of said insurer's liability; and,

(i) that the property and commercial general liability insurance policies shall contain no special limitations on the scope of protection afforded to the additional insureds, and no failure to comply with the reporting provisions of such policies shall affect the coverage afforded to such additional insureds.

9.5 Failure to Procure Insurance. If Lessee fails to procure or renew the herein required insurance and does not cure such failure within five (5) business days after written notice from County, in addition to the other rights and remedies provided hereunder, County may, at its discretion, procure or renew such insurance and pay any and all premiums in connection therewith. All monies so paid by County shall be repaid by Lessee, with interest thereon at the Applicable Rate, to County within five (5) business days after Lessee's receipt of written demand therefor.

9.6 Adjustment to Amount of Liability Coverage. The amounts of liability insurance required under Section 9.1.1, 9.1.2 and 9.1.3 shall be subject to renegotiation as of each fifth (5th) anniversary of the Effective Date (each, an "Insurance Renegotiation Date"). If County and Lessee cannot agree upon the amount of insurance by the sixtieth (60th) day preceding an Insurance Renegotiation Date, the matter shall be resolved by binding arbitration in accordance with Article 16. In no event shall the amounts of liability insurance be decreased as a result of such renegotiation or arbitration. Following such renegotiation or arbitration, the parties shall execute an amendment to this Lease setting forth the renegotiated insurance provisions or the arbitration judgment, as appropriate.

9.7 Notification of Incidents, Claims or Suits. Lessee shall notify County of any accident or incident on or about the Premises which involves injury or property damage over Fifty Thousand Dollars (\$50,000.00) in the aggregate and pursuant to which a claim against Lessee and/or County is made or threatened. Such notification shall be made in writing within 72 hours after Lessee first becomes aware of the claim or threatened claim.

10. MAINTENANCE AND REPAIR; DAMAGE AND DESTRUCTION.

10.1 Lessee's Maintenance and Repair Obligations. Lessee shall maintain the Premises, including paved or unpaved ground surfaces and Improvements thereon (including the Promenade, but excluding the Excluded Conditions and excluding the Seawall), in conformance with the Minimum Standards regarding the use and occupancy of residential apartment buildings in Marina del Rey (such as the Premises) as revised from time to time by County in a manner consistent with commercially reasonable maintenance standards applicable to other comparable residential apartment buildings in Marina del Rey (the "Maintenance Standard"). Any dispute as to whether revisions to the Maintenance Standard adopted by the County from time to time pursuant to the immediately preceding sentence are commercially reasonable shall be submitted to arbitration pursuant to Article 16 of this Lease. Without limiting the foregoing, at Lessee's sole cost and expense, but subject to the terms and conditions of this Lease, Lessee shall keep and maintain the Premises (including the Promenade) and all equipment, Improvements or physical structures of any kind which may exist or be erected, installed or made on the Premises in good and substantial repair and condition, including without limitation capital improvements and structural and roof repairs and replacement, and shall make all necessary repairs and alterations and replacements thereto, except as otherwise provided in this Article 10. Lessee

shall undertake such repairs, alterations or replacements in compliance with Applicable Laws, the Maintenance Standard and the terms and provisions of this Article 10. Lessee shall maintain all Improvements on the Premises (other than the Excluded Conditions and the Seawall) in a safe, clean, wholesome and sanitary condition, in the commercially reasonable judgment of Director, and in compliance with all Applicable Laws. Lessee shall, at its own cost and expense, install, maintain and replace landscaping between the streets abutting the Premises and the building footprints on the Premises as is necessary in the commercially reasonable judgment of the Director to maintain the appearance of the Premises in a manner consistent with the Maintenance Standard. Lessee specifically agrees to provide proper containers for trash and garbage which are screened from public view, to keep the Premises free and clear of rubbish and litter. County in its proprietary capacity shall have the right to enter upon and inspect the Premises at any reasonable time for cleanliness, safety and compliance with this Section 10.1, as long as such entrance is not done in a manner which would unreasonably interfere with the operation of the Premises. The exclusion of the Excluded Conditions and the Seawall from Lessee's maintenance obligations under this Section 10.1 shall not relieve Lessee from the obligation to repair and restore any damage to the Excluded Conditions and/or the Seawall caused by Lessee, its agents, employees, subtenants or contractors, or by Improvements constructed by or on behalf of Lessee, and Lessee hereby agrees to perform such repair or restoration work at Lessee's sole cost and expense.

10.2 Maintenance of Anchorage Facilities. Lessee shall at all times during the Term keep all Anchorage Facilities in good repair and condition in accordance with the requirements of the Minimum Standards. During the Term Lessee shall also complete float repair and replacement on an as-needed basis. Any requirement for repair of the Anchorage Facilities due to a deficiency notice issued by the Department shall be accomplished with new materials and parts rather than patching or other like method. Such required replacement of deficiency-cited items with wholly new parts and materials shall, however, be limited to the specific item in disrepair and shall not connote a requirement, for maintenance purposes, that areas or items surrounding the deficient item be replaced with new materials and/or parts.

10.3 Water Quality Management Program. During the remaining Term of the Lease, Lessee shall comply with all water quality management requirements imposed by the Coastal Commission in connection with the issuance of any Coastal Development Permit for the Anchorage Work required in Section 5.1 above and the future replacement of the Anchorage Facilities required in Section 5.2 above; provided, however, that Lessee shall in all events comply at least with the water quality management requirements set forth in Exhibit F attached to this Lease. In addition, during the remaining Term of the Lease, Lessee shall remove floating debris from the water surrounding the Anchorage Facilities in accordance with a program and regular schedule reasonably acceptable to the Director.

10.4 Deficiency Notices. If County provides written notice to Lessee of a deficiency or other breach in the performance by Lessee of the maintenance and repair obligations of Lessee under this Article 10, then Lessee shall promptly commence the cure thereof and shall complete such cure within the time period for such cure set forth in the County's deficiency notice, which cure period shall not be less than thirty (30) days except if the deficiency pertains to a condition that is a threat to health or safety or otherwise constitutes an emergency situation, in which case County shall have the right to immediately require Lessee to take all appropriate steps to avoid

damage or injury. If Lessee fails to cure any such deficiency within the cure period set forth in County's deficiency notice (which cure period shall comply with the requirements of the immediately preceding sentence of this Section 10.4), then in addition to, and not in lieu of, any rights or remedies that County may have under Article 13 of this Lease for defaults not cured within the applicable notice and cure periods set forth therein, Lessee shall pay to County an amount equal to One Hundred Dollars (\$100) per day per item of deficiency for each day after such cure period that the deficiency item remains uncured; provided, however, if the nature of the deficiency is such that it is not capable of cure within the cure period specified in County's notice (for example, as a result of permitting requirements or construction material procurement delays beyond the control of Lessee), then as long as during the specified cure period Lessee commences the cure of the deficiency and thereafter continues the prosecution of the completion of such cure in a manner and with such diligence that will effectuate the cure in as short a period as reasonably possible, then the cure period specified in County's deficiency notice shall be extended for such additional time as necessary to complete the cure in as short a period as reasonably possible.

For purposes of determining the number of items of deficiency set forth in a deficiency notice received from the County, County shall reasonably identify the separate deficiencies so as not to unfairly increase the daily amount payable under this Section 10.4 by separating the work into unreasonably particularized items (e.g., the requirement to paint the exterior of a building shall not be split into individual deficiency items for the painting of each individual door, window or other component of such building). If a cited deficiency is not health or safety related and does not otherwise constitute an emergency, and if in the reasonable and good faith business judgment of Lessee the deficiency notice was erroneously issued by County, then Lessee shall have the right to contest such deficiency notice by written notice to Director within five (5) business days after the date the deficiency notice is received by Lessee. If Lessee files any such contest with Director, then Director shall have the right, in the exercise of Director's discretion, to consider such contest. If Lessee's contest is made on a reasonable and good faith basis, then the cure period for the deficiency notice shall be tolled during the period between the date Director receives written notice of such contest and continuing until Director notifies Lessee in writing that either Director denies Lessee's contest or that Director has determined not to consider such contest, and the daily penalty set forth above in this Section 10.4 shall not be applicable during the period that the cure period is tolled. The One Hundred Dollars (\$100) per diem amount set forth in this Section 10.4 shall be adjusted every three (3) years during the remaining Lease Term on each third (3rd) anniversary of the Effective Date to reflect any change in the Consumer Price Index over the three (3) year period immediately preceding each such adjustment. If Lessee fails to pay any amounts payable by Lessee under this Section 10.4 within ten (10) days after written notice from County, then County shall have the right to draw on the Security Deposit to cover such unpaid amounts.

10.5 Option to Terminate for Uninsured Casualty. In the event of any damage to or destruction of the Premises, or any Improvements located thereon (other than the Excluded Conditions and the Seawall, except to the extent damage thereto is caused by the Lessee, its agents, employees, subtenants or contractors, or by Improvements constructed by or on behalf of Lessee), Lessee shall, except as otherwise expressly provided in this Section 10.5, promptly (taking into consideration the necessity of obtaining approvals and permits for such reconstruction) repair and/or restore such Improvements to their condition existing prior to the

damage or destruction. Except as otherwise expressly provided in this Section 10.5, such obligation to repair and restore is absolute, and is in no way dependent upon the existence or availability of insurance proceeds. Repair and restoration of any damage or destruction shall take place in accordance with the provisions of Article 5. Notwithstanding the foregoing, Lessee shall have the option to terminate this Lease and be relieved of the obligation to restore the Improvements on the Premises where all or substantially all of the Improvements on the Premises (other than the Excluded Conditions and the Seawall) are substantially damaged or destroyed and such damage or destruction resulted from a cause not required to be insured against by this Lease (an "Uninsured Loss"), and where all of the following occur:

10.5.1 No more than one hundred (100) days following the Uninsured Loss, Lessee shall notify County of its election to terminate this Lease; to be effective, this notice must include both a copy of Lessee's notification to the Encumbrance Holder, if any, of Lessee's intention to exercise this option to terminate and Lessee's certification under penalty of perjury that Lessee has delivered or mailed such notification to the Encumbrance Holder in accordance with this subsection 10.5.1. County shall be entitled to rely upon the foregoing notice and certification as conclusive evidence that Lessee has notified the Encumbrance Holder regarding Lessee's desire to terminate this Lease.

10.5.2 No more than sixty (60) days following the giving of the notice required by subsection 10.5.1 or such longer time as may be reasonable under the circumstances, Lessee shall, at Lessee's expense: remove all debris and other rubble from the Premises; secure the Premises against trespassers; and, at County's election, remove all remaining Improvements on the Premises.

10.5.3 No more than sixty (60) days following the loss, Lessee delivers to County a quitclaim deed to the Premises in recordable form, in form and content satisfactory to County and/or with such other documentation as may be reasonably requested by County or any title company on behalf of County, terminating Lessee's interest in the Premises and reconveying such interest to County free and clear of any and all Encumbrances and Subleases.

10.5.4 Within ten (10) days following the County's receipt of the notice referred to in subsection 10.5.1, County has not received both written notice from the Encumbrance Holder, if any, objecting to such termination and an agreement containing an effective assignment of Lessee's interest in this Lease to such Encumbrance Holder whereby such Encumbrance Holder expressly assumes and agrees to be bound by and perform all of Lessee's obligations under this Lease.

10.6 No Option to Terminate for Insured Casualty. Lessee shall have no option to terminate this Lease or otherwise be relieved of its obligation to restore the Improvements on the Premises where the damage or destruction results from a cause required to be insured against by this Lease.

10.7 No County Obligation to Make Repairs. County shall have no obligation whatsoever to make any repairs or perform any maintenance on the Premises; provided, however, that Director shall in its good faith discretion consider the application of funds toward

the maintenance, repair and replacement of the existing seawall protecting the Premises (the "Seawall") if and to the extent such funds are made available to Director for such uses by County and its Board of Supervisors. Director shall undertake such maintenance, repair and replacement, if any, with due diligence consistent with the funding provided. In the event the Seawall is in imminent danger of collapse or has collapsed, Director shall promptly seek funding from the Board of Supervisors for repair or replacement as may be necessary to avoid or repair such collapse. If County is obligated to maintain or repair the Seawall under the terms of a lease between the County and any other lessee in Marina del Rey, or if County in fact maintains or repairs the Seawall for the benefit of any other lessee in Marina del Rey, County shall have the same obligation(s) with respect to the Seawall protecting the Premises. Except as expressly provided in this Section 10.7, County shall have no obligation to maintain or repair the Seawall.

10.8 Repairs Not Performed by Lessee. If Lessee fails to make any repairs or replacements as required, Director may notify Lessee of said failure in writing, and should Lessee fail to cure said failure and make repairs or replacements within a reasonable time as established by Director, County may make such repairs or replacements and the cost thereof, including, but not limited to, the cost of labor, overhead, materials and equipment, shall be charged against Lessee as provided in Section 13.5.

10.9 Other Repairs. Although having no obligation to do so, County may, at its own cost and at its sole discretion, perform or permit others to perform any necessary dredging, filling, grading or repair of water systems, sewer facilities, roads, or other County facilities on or about the Premises. Any entry by County onto the Premises pursuant to this Section 10.9 and any entry onto the Premises to perform work on the Seawall pursuant to Section 10.7 above, shall be made in accordance with the following requirements: (i) prior to entry onto the Premises County shall cause each of its contractors to provide to Lessee evidence that such contractor has procured commercial general liability insurance coverage pertaining to such contractor's activities on the Premises, which insurance coverage shall be consistent with County's insurance requirements generally applicable to County contractors, and shall name Lessee as an additional insured; (ii) County's contractors shall comply with industry standard safety requirements; (iii) County shall repair, or cause its contractors to repair, any damage to the Premises caused by the activities of County and/or its contractors on the Premises pursuant to this Section 10.9 or Section 10.7 above; and (iv) any entry onto the Premises by County or its contractors for the purpose of performing work pertaining to the Seawall shall be confined to the Promenade and the fire access lane over the Premises, except in extraordinary circumstances to the extent that due to the scope or nature of the work and/or due to safety concerns, the work cannot reasonably be confined to such area. In any such extraordinary situation County and Lessee agree to cooperate to define a work and/or access area that is reasonably acceptable to both parties.

10.10 Notice of Damage. Lessee shall give prompt notice to County of any fire or material damage affecting the Premises from any cause whatsoever.

10.11 Waiver of Civil Code Sections. The parties' rights shall be governed by this Lease in the event of damage or destruction. The parties hereby waive the provisions of California Civil Code Section 1932 and any other provisions of law which provide for contrary or additional rights.

11. ASSIGNMENT AND SUBLEASE.

11.1 Subleases.

11.1.1 Definition. The term "Sublease" shall mean any lease, license, permit, concession or other interest in the Premises, or a right to use the Premises or a portion thereof, which is conveyed or granted by Lessee to a third party, and which constitutes less than the unrestricted conveyance of the entire Lessee's interest under this Lease. "Sublessee" shall be the person or entity to whom such right to use is conveyed by a Sublease. A Sublease which grants or conveys to the Sublessee the right to possess or use all or substantially all of the Premises is sometimes referred to in this Lease as a "Major Sublease" and the Sublessee under such agreement is sometimes referred to in this Lease as a "Major Sublessee".

11.1.2 Approval Required. At least thirty (30) days prior to the proposed effective date of any Sublease that is not a Major Sublease or an Approved Apartment/Slip Lease (as defined below), or of any assignment or material amendment of such Sublease, Lessee shall submit a copy of such Sublease (or assignment or amendment thereof), to Director for approval, which approval shall not be unreasonably withheld. To the extent practical, Director shall approve or disapprove said proposed Sublease, amendment or assignment within thirty (30) days after receipt thereof. In no event, however, shall any such Sublease, amendment or assignment be made or become effective without the prior approval of Director. Each such Sublease shall specifically provide that the Sublessee shall comply with all of the terms, covenants, and conditions of this Lease applicable to the portion of the Premises subject to the Sublease.

Notwithstanding any contrary provision of this Article 11, Lessee shall not be required to obtain County's approval of any Sublease of an individual apartment or boat slip unit in the ordinary course (but not the master lease of multiple units) to a person or persons who will physically occupy the subleased unit, as long as such Sublease is in the form of the standard residential apartment lease or boat slip lease, as the case may be, hereafter submitted to and approved by County and the term of such Sublease does not exceed twelve (12) months (each, an "Approved Apartment/Slip Lease"). The terms and provisions of Sections 11.2 and 11.3 of this Lease shall not be applicable to Approved Apartment/Slip Leases. Upon request by County, Lessee shall furnish County with a current rent roll respecting the Approved Apartment/Slip Leases and a copy of all of such Approved Apartment/Slip Leases.

11.1.3 Major Sublease. Lessee shall enter into a Major Sublease only with a reputable owner or manager of comparable residential apartment and marina facilities such as exist on the Premises. In light of the inherent detailed nature of a Major Sublease, Lessee shall deliver to County a copy of any proposed Major Sublease, or any sub-sublease or any other document pursuant to which an interest is proposed to be transferred in all or substantially all of the Premises, not less than sixty (60) days prior to the proposed effective date of such proposed Major Sublease or other document, for County's review and approval pursuant to the procedures and requirements specified in Section 11.2.

11.2 Approval of Assignments and Major Subleases. Except as specifically provided in this Article 11, Lessee shall not, without the prior written consent of County, which shall be based upon factors described in Exhibit C hereto, which is incorporated herein by this reference ("Assignment Standards"), and which shall be applied in a commercially reasonable manner, either directly or indirectly give, assign, hypothecate, encumber, transfer, or grant control of this Lease or any interest, right, or privilege therein (including without limitation the right to manage or otherwise operate the Improvements located from time to time on the Premises), or enter into a Major Sublease affecting the Premises, or license the use of the all or substantially all of the Premises. Notwithstanding the foregoing, Lessee shall have the right, without the prior approval of County, to retain an affiliate of Lessee as the property manager for the Premises. Any Change of Ownership that is not an Excluded Transfer shall constitute an assignment of Lessee's interest under this Lease. In addition, for purposes of this provision, the following acts of Lessee (except for Excluded Transfers) shall require the prior written consent of County to be effective: (1) the addition, removal or replacement of one or more general partners or managing members in a Lessee which is a limited partnership or limited liability entity, except (a) by death, insolvency, incapacity, resignation (except for a sole general partner, if any) or removal of a general partner or managing member and his replacement by a vote of the limited partners, the remaining general partners or remaining members, or (b) if any general partner or managing member owning more than fifty percent (50%) of the interests of the partnership or limited liability entity acquires the interest of another general partner or managing member owning fifteen percent (15%) or less of the interests in the partnership or limited liability entity; or (2) the sale, assignment, or transfer of fifty-percent (50%) or more of the stock, partnership interests or limited liability company interests in an entity which owns, or is a general partner or managing member of an entity which owns, an interest in this Lease; provided, however, that with respect to any sale, assignment or transfer of an AIG Entity or ownership interests therein, the phrase "fifty percent (50%) or more" in clause (2) above shall be changed to "more than fifty percent (50%)." Lessee shall provide County with any information reasonably requested by County in order to determine whether or not to grant approval of the matters provided herein requiring County's consent. These same limitations and approval requirements as to Lessee's interest under the Lease shall also apply with respect to the Sublessee's interest under a Major Sublease.

11.2.1 County's Use of Discretion and Limitation on Permissible Assignees. In exercising its discretion to approve assignments as provided in this Section 11.2, County shall take into account the Assignment Standards and, if County determines that such Assignment Standards are satisfied, County shall not withhold or unreasonably delay its consent to any proposed assignment.

11.2.2 Involuntary Transfers Prohibited. Except as otherwise specifically provided in this Lease, neither this Lease nor any of the Lessee's interest in this Lease (as opposed to ownership interests in Lessee itself) shall be assignable or transferable in proceedings in attachment, garnishment, or execution against Lessee, or in voluntary or involuntary proceedings in bankruptcy or insolvency or receivership taken by or against Lessee, or by any process of law including proceedings under the Bankruptcy Act.

11.2.3 Procedure. Requests for approval of any proposed assignment shall be processed in accordance with the following procedures:

11.2.3.1 Prior to entering into any agreement requiring the approval of County pursuant to Sections 11.1 or 11.2, Lessee (or the entity seeking approval of such assignment) shall notify County and deliver to County all information relevant to the proposed assignment, including without limitation any term sheets, letters of intent, draft Major Subleases, any other documents which set forth any proposed agreement regarding the Premises and the information set forth in subsection 11.2.3.5. County will evaluate the information provided to it and County may request additional information as may be reasonably necessary to act on the request. Under no circumstances will County formally discuss an assignment with any proposed assignee prior to reviewing the proposal with Lessee.

11.2.3.2 In completing its review of the proposal and granting or withholding its consent thereto, County will not be bound by any deadline contained in any proposed assignments, Major Subleases, escrow instructions or other agreements to which County is not a party.

11.2.3.3 Lessee acknowledges that the time needed for County to review a proposed assignment depends on many factors, including without limitation the complexity of the proposed transaction, the financial and other information submitted for review, and the workload of County's personnel. Notwithstanding the foregoing, County shall act as promptly as governmental processes permit in processing and acting upon a requested approval of an assignment of Lessee's interest under this Article 11.

11.2.3.4 Lessee shall be required to reimburse County for its Actual Costs incurred in connection with the proposed assignment, whether or not County ultimately grants its approval to the proposed assignment (without duplication with any Administrative Charge payable under Section 4.6).

11.2.3.5 Lessee or the proposed assignee shall provide County with sufficient information for County to determine if the public interest will be served by approving the proposed transaction. The information that must be provided includes, but shall not be limited to, the following:

(a) Nature of the Assignee. Full disclosure is required in accordance with this Lease and County's applicant disclosure policy then in effect. Additionally, a flowchart identifying the chain of ownership of the assignee and its decision-making authority shall be provided to County. County shall be advised if the proposed assignee, or any other person or entity for whom disclosure is required pursuant to County's disclosure policy, has had any leasehold or concessionaire's interest canceled or terminated by the landlord due to the tenant or Lessee's breach or default thereunder.

(b) Financial Condition of Assignee. County shall be provided with current, certified financial statements, including balance sheets and profit and loss statements, demonstrating the proposed assignee's financial condition for the preceding five (5) years, or such shorter period that assignee has been in existence. This requirement shall

also apply to any related person or entity which will be responsible for or guarantee the obligations of the proposed assignee or provide any funds or credit to such proposed assignee.

(c) Financial Analysis. County shall be provided with the proposed assignee's financing plan for the operation of the Premises (unless the assignment is pursuant to a Change of Ownership that is an Excluded Transfer or is pursuant to a Change of Ownership that involves the transfer of only beneficial ownership interests in the constituent owners of Lessee, and following such transfer there is no intended change in the financing plan for the operation and improvement of the Premises) and for any contemplated improvement thereof, demonstrating such proposed assignee's financial capability to so operate the Premises and construct such improvements. Such financing plan shall include, but not be limited to, information detailing (1) equity capital; (2) sources and uses of funds; (3) terms of financing; (4) debt service coverage and ratio; and (5) loan to value ratio. The proposed assignee shall also provide County with documentation demonstrating such proposed assignee's financial viability, such as letters of commitment from financial institutions which demonstrate the availability of sufficient funds to complete any proposed construction or improvements on the Premises. Further, such proposed assignee shall authorize the release of financial information to County from financial institutions relating to the proposed assignee or other information supplied in support of the proposed assignment.

(d) Business Plan. County shall be provided with the proposed assignee's business plan for the Premises (unless the assignment is pursuant to a Change of Ownership that constitutes an Excluded Transfer or is pursuant to a Change of Ownership that involves the transfer of only beneficial ownership interests in the constituent owners of Lessee, and following such transfer there is no intended change in the business plan for the Premises), including pro forma financial projections for the Premises for the five (5) year period beginning upon the commencement of the proposed assignment. Such pro forma projections will include capital costs, income and expenses, as well as debt service and all other payments to providers of debt and equity, and will be accompanied by a statement of basic assumptions and an identification of the sources of the data used in the production of such projections.

(e) Assignor's Financial Statements. County shall be provided with certified financial statements, including balance sheets and profits and loss statements concerning the assignor Lessee and its operations for the three (3) most recent years prior to the proposed transaction.

(f) Cure of Defaults. County shall be provided with the proposed assignee's specific plans to cure any and all delinquencies under this Lease which may be identified by County, whether identified before or after the date of the proposed assignment.

(g) Prospectus Materials. County shall be provided with any materials distributed to third parties relating to the business of the proposed assignee to be conducted on, from or relating to the Premises.

(h) Other Information. County shall be provided with a clear description of the terms and conditions of the proposed assignment, including a description of the proposed use of the Premises and any proposed alterations or improvements to the Premises. Additionally, County shall be provided with any and all other information which it reasonably requests of Lessee to assist in its review of the proposed transaction, including without limitation materials pertinent to the issues noted in this subsection to the extent that they exist, such as escrow instructions, security agreements, personal property schedules, appraisals, market reports, lien releases, UCC Statements, preliminary title reports, management agreements affecting the Premises, contracts in excess of \$25,000 affecting the Premises, schedules of pending or threatened litigation, and attorneys' closing opinions relating to Lessee, the proposed assignee or the Premises. County shall endeavor to keep the foregoing materials confidential, subject to the Public Records Act and other Applicable Laws.

11.2.3.6 Nondisturbance. At the request of Lessee, County shall agree to execute a subordination, nondisturbance and attornment agreement and a ground lessor's estoppel certificate on commercially reasonable terms in favor of any Major Sublessee.

11.2.3.7 Final Documents. Prior to granting its approval over any proposed assignment, County shall be provided with an executed Assignment and Acceptance of Assignment in form and content as approved or supplied by the County. Ten (10) copies of each must be submitted to County, of which five (5) shall be signed originals and properly acknowledged.

11.2.4 County Right to Recapture. The terms and provisions of this subsection 11.2.4 shall be applicable only on and after March 1, 2021 and continuing during the remaining Term of the Lease. If Lessee proposes to assign its interest in this Lease or the Premises, or proposes to enter into any Major Sublease affecting the Premises (with either such proposed transaction herein referred to as a "Proposed Transfer"), on or after March 1, 2021, it shall provide County with written notice of such desire and the sale price ("Lessee Sale Price") at which it is willing to consummate the Proposed Transfer. Within thirty (30) days thereafter, the County shall provide Lessee with written notification as to whether it has elected to acquire an option to purchase the interest subject to the Proposed Transfer. During said thirty (30) day period, Lessee may continue to market the interest subject to the Proposed Transfer, provided that such interest is offered subject to County's rights as provided herein. In the event that, prior to the expiration of said thirty (30) day period, County has given notice to Lessee that it has elected to acquire said option, Lessee shall deliver to County an assignable option to purchase the interest subject to the Proposed Transfer ("County Option") at the Lessee Sale Price. Such County Option shall have a term of five (5) calendar months. During the term of the County Option, Lessee shall make the Premises and its books and records reasonably available for inspection by County and third parties as reasonably requested by County. In the event that County causes Lessee to issue the County Option and subsequently declines to purchase the interest subject to the Proposed Transfer at the Lessee Sale Price, County shall pay to Lessee at the expiration of the County Option period (or, at County's election, credit to Lessee against the next applicable installment(s)

of Annual Minimum Rent and Percentage Rent), a sum (the "County Option Price") which represents (i) three percent (3%) of the Lessee Sale Price, plus (ii) seven percent (7%) interest per annum on said three percent (3%) of the Lessee Sale Price, from the date Lessee received notice of County's election to receive the County Option through the date on which the County Option Price, together with interest thereon, is paid or credited in full. If County either (a) fails to elect to cause Lessee to issue the County Option within said thirty (30) day period or (b) gives notice that it has elected not to acquire the interest subject to the Proposed Transfer, then during the nine (9) month period following the later of (a) or (b), Lessee shall be entitled to enter into an agreement to consummate the Proposed Transfer with a third party (subject to County's approval rights as otherwise set forth in this Lease) so long as (1) the actual price for the Proposed Transfer is equal to or greater than the Lessee Sale Price last offered to County and upon no more favorable material terms to the assignee, and (2) the transfer is consummated not later than twelve (12) months after the later of (a) or (b). In the event of a proposed Major Sublease or other permitted assignment of less than all of the Premises, County's election shall pertain to such portion of the Premises subject to the proposed Major Sublease or assignment and, in the event that County elects to acquire such portion of Lessee's interest in the Premises, Lessee's Annual Minimum Rent shall be proportionally reduced and Lessee's obligation to pay Percentage Rent shall pertain only to the amounts derived from the portion of the Premises retained by Lessee. In the event that County elects to recapture all or any portion of the Premises as provided herein, Lessee agrees to execute promptly a termination agreement and such other documentation as may be reasonably necessary to evidence the termination of this Lease, to set a termination date and to prorate rent and other charges with respect to the termination. County's rights pursuant to this subsection 11.2.4 shall not apply to Financing Events or those events identified in subsection 4.6.2 of this Lease.

11.2.5 County Credits Toward Purchase Price. In the event that County or its assignee elects to exercise the County Option, it shall receive the following credits toward the Lessee Sale Price: (1) the Net Proceeds Share which would be payable to County in the event that a third party were to purchase the interest offered at the Lessee Sale Price and (2) an amount which represents unpaid Annual Minimum Rent, Percentage Rent, and all other amounts payable under the Lease, if any (including a provisional credit in an amount reasonably acceptable to County for any amounts that may arise from an audit by County, but that have not yet been determined as of that date), with late fees and interest as provided herein, from the end of the period most recently subject to County audit through the date of the purchase of the interest by County. In the case of any unpaid rental amounts that may be found to be owing to County in connection with any uncompleted audit by County, in lieu of a provisional credit for such amounts, Lessee may provide County with a letter of credit or other security satisfactory to County to secure the payment of such unpaid amounts when finally determined by County. During the term of the County Option, Lessee shall cause to be available to County all books and records reasonably necessary in order to determine the amount of such unpaid Annual Minimum Rent, Percentage Rent, and other amounts payable under the Lease. In the event that County or its assignee exercises the County Option, but the transaction fails to close due to a failure of the parties to agree upon an appropriate allowance for such unpaid Annual Minimum Rent, Percentage Rent, and other amounts or appropriate

security for the payment thereof, then County shall have no obligation to pay or credit to Lessee the County Option Price.

11.3 Terms Binding Upon Successors, Assigns and Sublessees. Except as otherwise specifically provided for herein, each and all of the provisions, agreements, terms, covenants, and conditions herein contained to be performed, fulfilled, observed, and kept by Lessee hereunder shall be binding upon the heirs, executors, administrators, successors, and assigns of Lessee, and all rights, privileges and benefits arising under this Lease in favor of Lessee shall be available in favor of its heirs, executors, administrators, successors, and assigns. Notwithstanding the foregoing, no assignment or subletting by or through Lessee in violation of the provisions of this Lease shall vest any rights in any such assignee or Sublessee. Any approved assignment of this Lease shall release the assignor of all liability arising due to actions or omissions on or after the effective date of such assignment, provided the assignee assumes all of such liability, including without limitation the obligation of assignee to cure any defaults and delinquencies under this Lease and to pay County Percentage Rent and any other amounts attributable to the period prior to the assignment, but not discovered by County or the assignee until after the assignment; provided, further, the assignor shall not be relieved of any liability for the payment of the Administrative Charge or the required portion of any Net Proceeds Share or Net Refinancing Proceeds which arise upon such assignment as provided herein.

11.4 Family Transfers. Notwithstanding any contrary provision of this Article 11, the County's approval shall not be required, nor shall the County's rights of recapture under subsection 11.2.4 be applicable, with respect to any transfer of ownership interests in Lessee or in constituent entities of Lessee, if such transfer is to a member of the immediate family of the transferor (or to a trust for the benefit of a member of the immediate family of the transferor) for estate planning purposes, whether such transfer is the result of gift, devise, intestate succession or operation of law.

11.5 Property Management. Notwithstanding any contrary provision of this Article 11, Lessee shall be permitted to hire one or more management companies of its choosing for property management of the Premises and/or may conduct such property management activities using its own staff. Any management company hired by Lessee to perform property management of the Premises shall at the time of such engagement (a) have at least five (5) years' of experience in the operation and management of at least 2,000 rental apartments, without material violations of law or discrimination, and (b) have a valid license to manage residential dwelling units issued by the California Department of Real Estate (or its successor). To the extent Lessee uses Lessee's own staff for property management of the Premises, Lessee's own staff at the time of such engagement shall have at least (i) five (5) years' of experience in the operation and management of at least 2,000 rental apartments, without material violations of law or discrimination, and (ii) have a valid license to manage residential dwelling units issued by the California Department of Real Estate (or its successor).

12. ENCUMBRANCES.

12.1 Financing Events.

12.1.1 Definitions. For the purposes of this Lease, including without limitation the provisions of Sections 4.6 through 4.8 hereof: (i) a "Financing Event" shall mean any financing or refinancing consummated by Lessee or by the holders of partnership interests or other direct or indirect ownership interests in Lessee (collectively, "Ownership Interests"), whether with private or institutional investors or lenders, where such financing or refinancing is an Encumbrance (as defined below); for purposes of Section 12.1.2 below and Sections 4.6 through 4.8 above, a "Financing Event" shall also include all of the foregoing actions involving the granting of a mortgage, deed of trust or other security interest in a Major Sublease; and (ii) an "Encumbrance" shall mean any direct or indirect grant, pledge, assignment, transfer, mortgage, hypothecation, grant of control, grant of security interest, or other encumbrance, of or in all or any portion of (A) Lessee's interest under this Lease and the estate so created (including without limitation a direct or indirect assignment of Lessee's right to receive rents from subtenants) or (B) Ownership Interests if an absolute assignment from the holder of such Ownership Interests to the holder of the Encumbrance would have required County's consent under this Lease, to a lender (upon County approval of the Encumbrance and consummation thereof, the "Encumbrance Holder") as security for a loan. The term "Encumbrance Holder" shall also be deemed to include any and all affiliates of such Encumbrance Holder which have succeeded by assignment or otherwise to any rights, interests or liabilities of the Encumbrance Holder with respect to the Encumbrance, or which have been designated by the Encumbrance Holder to exercise any rights or remedies under the Encumbrance or to take title to the leasehold estate under this Lease or to Ownership Interests, and such affiliates shall enjoy all of the rights and protections given to Encumbrance Holders under this Lease. The term "Equity Encumbrance Holder" shall mean an Encumbrance Holder holding an Encumbrance with respect to Ownership Interests.

12.1.2 County Approval Required. Lessee may, with the prior written consent of Director, which shall not be unreasonably withheld, and subject to any specific conditions which may be reasonably imposed by Director, consummate one or more Financing Event(s). Lessee shall submit to Director a preliminary loan package and thereafter a complete set of all proposed transaction documents in connection with each proposed Financing Event. The preliminary loan package shall include the loan commitment (or the so-called "loan application" if the loan commitment is styled as a loan application) and any other documents, materials or other information reasonably requested by Director. Lessee shall have the right, but not the obligation, to include draft loan documents in the preliminary loan package. Director shall have sixty (60) days (thirty (30) days for the initial construction loan for the Redevelopment Work) to grant or withhold approval of the preliminary loan package. Director shall have sixty (60) days (thirty (30) days for the initial construction loan for the Redevelopment Work) after receipt of substantially complete loan documents conforming to the approved preliminary loan package in which to grant or withhold final approval of the Financing Event; provided, however, that if the preliminary loan package included draft loan documents then the foregoing sixty (60) day period shall be reduced to thirty (30) days. If not approved by Director in writing within the foregoing periods, the proposed Financing Event shall be deemed disapproved by Director (and, if so requested in writing by Lessee), Director shall within thirty (30) days of such request deliver to Lessee a written

description of Director's objections to said proposed Financing Event). Lessee shall reimburse County for County's Actual Cost incurred in connection with its review of the proposed Financing Event. One (1) copy of any and all security devices or instruments as finally executed or recorded by the parties in connection with any approved Encumbrance shall be filed with Director not later than seven (7) days after the effective date thereof. The same rights and obligations set forth above in this subsection 12.1.2 shall inure to the benefit of and shall be binding upon any holder of Ownership Interests with respect to any proposed Financing Event involving Ownership Interests.

12.2 Consent Requirements In The Event of a Foreclosure Transfer.

12.2.1 Definitions. As used herein, a "Foreclosure Transfer" shall mean any transfer of the entire leasehold estate under this Lease or of all of the Ownership Interests in Lessee pursuant to any judicial or nonjudicial foreclosure or other enforcement of remedies under or with respect to an Encumbrance, or by voluntary deed or other transfer in lieu thereof. A "Foreclosure Transferee" shall mean any transferee (including without limitation an Encumbrance Holder) which acquires title to the entire leasehold estate under this Lease or to all of the Ownership Interests in Lessee pursuant to a Foreclosure Transfer. An "Equity Foreclosure Transferee" shall mean a Foreclosure Transferee whose acquired interest consists of all of the Ownership Interests in Lessee.

12.2.2 Foreclosure Transfer. The consent of County shall not be required with respect to any Foreclosure Transfer.

12.2.3 Subsequent Transfer By Encumbrance Holder. For each Foreclosure Transfer in which the Foreclosure Transferee is an Encumbrance Holder, with respect to a single subsequent transfer of this Lease or the Ownership Interests (as applicable) by such Encumbrance Holder to any third party, (i) County's consent to such transfer shall be required, but shall not be unreasonably withheld or delayed, and the scope of such consent (notwithstanding anything in this Lease to the contrary) shall be limited to County's confirmation (which must be reasonable) that the Lessee following such transfer has sufficient financial capability to perform its remaining obligations under this Lease as they come due, along with any obligation of Lessee for which the Foreclosure Transferee from whom it receives such transfer is released under subsection 12.3.1 below, and (ii) such transferee (other than a transferee of Ownership Interests) shall expressly agree in writing to assume and to perform all of the obligations under this Lease, other than Excluded Defaults (as defined below). For clarification purposes, the right to a single transfer under this Section shall apply to each Foreclosure Transfer in which the Foreclosure Transferee is an Encumbrance Holder, so that there may be more than one "single transfer" under this Section.

12.3 Effect of Foreclosure. In the event of a Foreclosure Transfer, the Encumbrance Holder shall forthwith give notice to County in writing of such transfer setting forth the name and address of the Foreclosure Transferee and the effective date of such transfer, together with a copy of the document by which such transfer was made.

12.3.1 Any Encumbrance Holder which is a commercial bank, savings bank, savings and loan institution, insurance company, pension fund, investment bank, opportunity fund, mortgage conduit, real estate investment trust, commercial finance lender or other similar financial institution which ordinarily engages in the business of making, holding or servicing commercial real estate loans, including any affiliate thereof (an "Institutional Lender"), shall, upon becoming a Foreclosure Transferee (other than an Equity Foreclosure Transferee), become liable to perform the full obligations of Lessee under this Lease (other than Excluded Defaults as defined below) accruing during its period of ownership of the leasehold. Upon a subsequent transfer of the leasehold in accordance with subsection 12.2.3 above, such Institutional Lender shall be automatically released of any further liability with respect to this Lease, other than for (i) rent payments, property tax payments, reserve account payments and other monetary obligations under specific terms of the Lease that accrue solely during such Institutional Lender's period of ownership of the leasehold, and (ii) Lessee's indemnification obligations under this Lease with respect to matters pertaining to or arising during such Institutional Lender's period of ownership of leasehold title.

12.3.2 Any other Foreclosure Transferee (i.e., other than an Institutional Lender as provided in Section 12.3.1 above) shall, upon becoming a Foreclosure Transferee (other than an Equity Foreclosure Transferee), become liable to perform the full obligations of Lessee under this Lease (other than Excluded Defaults), subject to possible release of liability upon a subsequent transfer pursuant to Section 11.3 above.

12.3.3 Following any Foreclosure Transfer which is a transfer of the leasehold interest under the Lease, County shall recognize the Foreclosure Transferee as the Lessee under the Lease and shall not disturb its use and enjoyment of the Premises, and the Foreclosure Transferee shall succeed to all rights of Lessee under this Lease as a direct lease between County and such Foreclosure Transferee, provided that the Foreclosure Transferee cures any pre-existing Event of Default other than any such pre-existing Event of Default that (i) is an incurable non-monetary default, (ii) is a non-monetary default that can only be cured by a prior lessee, (iii) is a non-monetary default that is not reasonably susceptible of being cured by such transferee, or (iv) relates to any obligation of a prior lessee to pay any Net Proceeds Share (collectively, "Excluded Defaults"), and thereafter performs the full obligations of Lessee under this Lease. Pursuant to Section 12.3.7 below, following any Foreclosure Transfer which is a transfer of Ownership Interests, the foregoing rights under this Section 12.3.3 shall also inure to the benefit of the Lessee.

12.3.4 No Encumbrance Holder shall become liable for any of Lessee's obligations under this Lease unless and until such Encumbrance Holder becomes a Foreclosure Transferee with respect to Lessee's leasehold interest under the Lease.

12.3.5 No Foreclosure Transfer, and no single subsequent transfer by an Encumbrance Holder following a Foreclosure Transfer pursuant to subsection 12.2.3, shall trigger (i) any obligation to pay an Administrative Charge nor any Net Proceeds Share, (ii) any acceleration of the Extension Fee or any other financial obligation of Lessee under this Lease, (iii) any recapture right on the part of County, or (iv) any

termination right under this Lease. Any Foreclosure Transfer, and any single subsequent transfer by an Encumbrance Holder following a Foreclosure Transfer pursuant to subsection 12.2.3, shall be deemed to be excluded from the definition of "Change of Ownership" for all purposes of this Lease. For clarification purposes, the "single subsequent transfer" referred to above applies to each Foreclosure Transfer in which the Foreclosure Transferee is an Encumbrance Holder (as more fully explained in Section 12.2.3), so that there may be more than one "single subsequent transfer" benefited by this Section.

12.3.6 In the event that an Institutional Lender becomes a Foreclosure Transferee, all obligations with respect to the construction and renovation work described in Sections 5.1, 5.2 or 5.13 above (other than any obligations to make deposits into the Renovation Fund) shall be tolled for a period of time, not to exceed twelve months, until such Institutional Lender completes a subsequent transfer of its foreclosed interest in the Lease or Ownership Interests, provided that such Institutional Lender is making commercially reasonable and diligent efforts to market and sell its foreclosed interest. Nothing in this Section 12.3.6 shall be construed as a limit or outside date on any cure periods provided to Encumbrance Holders under this Lease.

12.3.7 Following a Foreclosure Transfer with respect to all of the Ownership Interests in Lessee, (i) any and all rights, privileges and/or liability limitations afforded to Foreclosure Transferees in this Article 12 or any other provision of this Lease shall also be afforded to Lessee from and after such Foreclosure Transfer, to the same extent as if the Foreclosure Transferee had acquired the leasehold interest of Lessee directly and became the Lessee under this Lease, and (ii) if the Foreclosure Transferee was also an Equity Encumbrance Holder, then any and all rights, privileges and/or liability limitations afforded to Foreclosure Transferees who are Encumbrance Holders in this Article 12 or any other provision of this Lease shall also be afforded to Lessee from and after such Foreclosure Transfer, to the same extent as if the Foreclosure Transferee had acquired the leasehold interest of Lessee directly and became the Lessee under this Lease.

12.4 No Subordination. County's rights in the Premises and this Lease, including without limitation County's right to receive Annual Minimum Rent and Percentage Rent, shall not be subordinated to the rights of any Encumbrance Holder. Notwithstanding the foregoing, an Encumbrance Holder shall have all of the rights set forth in the security instrument creating the Encumbrance, as approved by County in accordance with subsection 12.1.2, to the extent that such rights are not inconsistent with the terms of this Lease, including the right to commence an action against Lessee for the appointment of a receiver and to obtain possession of the Premises under and in accordance with the terms of said Encumbrance, provided that all obligations of Lessee hereunder shall be kept current, including but not limited to the payment of rent and curing of all defaults or Events of Default hereunder (other than Excluded Defaults or as otherwise provided herein).

12.5 Modification or Termination of Lease. This Lease shall not be modified or amended without the prior written consent in its sole discretion of each then existing Encumbrance Holder with respect to Lessee's entire leasehold interest in this Lease or all of the Ownership Interests in Lessee. Further, this Lease may not be surrendered or terminated (other

than in accordance with the provisions of this Article 12) without the prior written consent of each such Encumbrance Holder in its sole discretion. No such modification, amendment, surrender or termination without the prior written consent of each such then existing Encumbrance Holder shall be binding on any such Encumbrance Holder or any other person who acquires title to its foreclosed interest pursuant to a Foreclosure Transfer.

12.6 Notice and Cure Rights of Encumbrance Holders and Major Sublessees.

12.6.1 Right to Cure. Each Encumbrance Holder and Major Sublessee shall have the right, at any time during the term of its Encumbrance or Major Sublease, as applicable, and in accordance with the provisions of this Article 12, to do any act or thing required of Lessee in order to prevent termination of Lessee's rights hereunder, and all such acts or things so done hereunder shall be treated by County the same as if performed by Lessee.

12.6.2 Notice of Default. County shall not exercise any remedy available to it upon the occurrence of an Event of Default (other than exercising County's self-help remedies pursuant to Section 13.5 or imposing the daily payment set forth in Section 10.4 in the case of emergency situations), and no such exercise shall be effective, unless it first shall have given written notice of such default to each and every then existing Major Sublessee and Encumbrance Holder which has notified Director in writing of its interest in the Premises or this Lease and the addresses to which such notice should be delivered. Such notice shall be sent simultaneously with the notice or notices to Lessee. An Encumbrance Holder or Major Sublessee shall have the right and the power to cure the Event of Default specified in such notice in the manner prescribed herein. If such Event or Events of Default are so cured, this Lease shall remain in full force and effect. Notwithstanding any contrary provision hereof, the Lender's cure rights set forth in this Section 12.6 shall not delay or toll the County's right to impose the daily payment for Lessee breaches set forth in Section 10.4.

12.6.3 Manner of Curing Default. Events of Default may be cured by an Encumbrance Holder or Major Sublessee in the following manner:

(a) If the Event of Default is in the payment of rental, taxes, insurance premiums, utility charges or any other sum of money, an Encumbrance Holder or the Major Sublessee may pay the same, together with any Late Fee or interest payable thereon, to County or other payee within thirty five (35) days after its receipt of the aforesaid notice of default. If, after such payment to County, Lessee pays the same or any part thereof to County, County shall refund said payment (or portion thereof) to such Encumbrance Holder or Major Sublessee.

(b) If the Event of Default cannot be cured by the payment of money, but is otherwise curable, the default may be cured by an Encumbrance Holder or Major Sublessee as follows:

(1) The Encumbrance Holder or Major Sublessee may cure the default within sixty (60) days after the end of Lessee's cure period as
